PARKS & RECREATION

CANCELLING CLASSES

Unfortunately sometimes classes fail to reach their minimum enrollment capacity. If this happens we must cancel the class. You will be notified ahead of time and you will be given a full refund.

CANCELLATIONS DUE TO WEATHER

Weather related program cancellations will always be announced on the Program Information Line at (920) 720-7139. The information line is updated as changes arise. Every attempt will be made to reschedule a cancelled activity, however if the department is unable to reschedule the missed class, there will be no refunds for the cancellation.

REFUND POLICY

The Fox Crossing Parks and Recreation Commission recognizes that circumstances arise causing an individual who is registered for a program to withdraw from the program and request a refund of payment. The intent of this policy is to make possible the refunding of registration fees and charges based upon circumstances beyond the control of a program participant.

- A 100% refund if a class is cancelled by the department.
- A refund less a 20% service charge, not to exceed $5 if a refund request is received at least seven (7) days prior to the start of a program. The 20% service charge applies to each cancelled class. If a request is not made within seven (7) days prior to the start of a program, the class fee will be forfeited.
- A refund can be granted if there is a medical condition with proof from attending physician.
- Refunds will not be granted for trips requiring advanced reservations, certain special events, or for programs that have already begun.

FINANCIAL ASSISTANCE/ ROUND UP FOR RECREATION

The Fox Crossing Parks & Recreation Department strongly believes that all area youth should have the opportunity to participate in village-sponsored recreation programs. The department does not want to exclude any child from participation due to an inability to pay. Persons who feel they are unable to afford the cost of a youth activity may apply for a reduction of the program fee. Those seeking financial assistance must complete a financial assistance application and return it to the recreation office. Monies raised from persons who have "Rounded Up" their registration fees will be utilized to help fund these financial assistance requests.

PHOTOGRAPHS

For program promotion purposes, from time to time photos will be taken of program participants. If you do not wish to have you or your child's photo taken, please tell the photographer and/or class instructor.
