

2024 Asphalt Resurfacing & Concrete Repair Program

2024 Asphalt Resurfacing Program:

The Village will begin the annual Asphalt Resurfacing Program on April 22. The work will generally consist of pulverizing existing pavement, concrete curb repairs, adjusting utility structures, preparation for pavement, and installing new asphalt pavement. Streets to be resurfaced along with the anticipated work schedule are below. This work schedule is preliminary and may change over the course of the project.

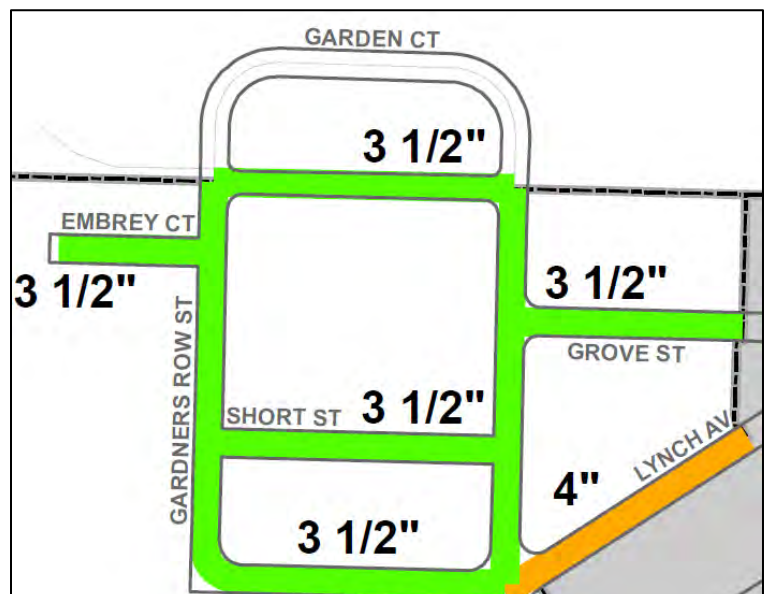

Section 1: April 22 through May 11

- Weatherwood Drive
- Dordona Drive
- Shady Springs Drive
- Shady Springs Court
- Woodgate Lane
- Entrée Drive

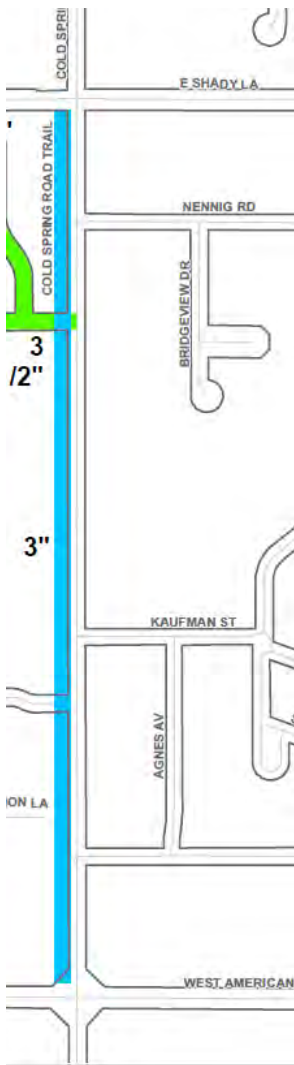

Section 2: April 22 through May 24

- Grove Street
- Lynch Avenue
- Gardners Row
- Short Street
- Embrey Court
- W. Calumet Street

Section 3: May 13-June 28

- Butte Des Morts Beach Road (north of the 41/441 interchange to Stroebe Road)
- Butte Des Morts Beach Circle

Section 4: June 17-July 19

- Cold Spring Road Trail from W. American Drive to Shady Lane

Section 5: July 15-August 9

- Tumblebrook Road
- Tumblebrook Court

2024 Concrete Repair Program:

The Village's 2024 Concrete Repair Program will begin **April 22, 2024**. Vinton Construction will be replacing concrete panels along ***Green Bay Road between Ehlers Road and American Drive as well as along American Drive between Prospect Ave and Shady Lane***. Some lane closures will occur as part of this project, but the streets are not anticipated to be fully closed. The project is anticipated to last through May 17, 2024, weather depending.
