MINUTES

Mr. Willecke moved and Mr. Scheibe seconded the motion to approve the minutes of the November 5, 2022 Sustainability Committee meeting.

Motion carried.

MISCELLANEOUS BUSINESS

Chairman Koeppe reported the Village Board approved \$14,200 for the replacement of old bulbs in streets lights for more economical LED bulbs and that this would effectively result in 92 bulbs being replaced.

OLD BUSINESS

Chairman Koeppe stated that we collected around 187 lbs. of plastic film in January, and he thought we would be eligible for another bench this spring.

Chairman Koeppe informed the committee that the 2023 dates for the Electronics Recycling Events will be April 29th and October 14th, both dates are on a Saturday.

NEW BUSINESS

Dan Dieck reported that community garden renewals are steadily coming in and there are 3 open plots in Schildt Park and 4 open in Wittmann Park. He said both parks have a waiting list and he will wait until he hears back from the current gardeners before moving forward with contacting those on the waiting list.

OTHER BUSINESS

Chairman Koeppe asked members to think about new initiatives for the committee to consider with the caveat that they get involved in any new activities brought forth. There was a brief discussion among members.

ADJOURNMENT

A motion was made by Mr. Scheibe and seconded by Mr. Willecke to adjourn the meeting. Motion carried unanimously.
