MISCELLANEOUS BUSINESS

OLD BUSINESS

1. Community Gardens

Ms. Yang said that both gardens are full and there are long waiting lists for both gardens. People continue to inquire about them.

2. Electronic Recycling

Chairman Koeppe said that the event will be on April 17th. Last month and this month, the flyers were sent out so people will know the dates. He also said that he will announce it at the board meetings.

Director Dearborn mentioned that there is a charge for collecting batteries.

Chairman Koeppe said he will call them to clear that up with them. He said that there is no volunteer sign up and it is just whoever shows up.

3. Plastic Film Update

Chairman Koeppe said he collected 150 lbs for February already.

Director Dearborn said the Village collects about 20 lbs a week.

Ms. Garcia Franz asked if any benches would go into Woodland Prairie Park.

Ms. Romzek said the next benches would go there.

4. Discuss Proper Recycling

Chairman Koeppe suggested that a sticker be made that residents can make it themselves. This could be something that they hand out at the Electronic Recycling event. The stickers would have to be vinyl.

Ms. Romzek said that there are many different recycling materials that you can get from Winnebago County.

Chairman Koeppe said that Eastman is collaborating with the Tennessee government to build a major plant that is going to have the ability to take any plastic and recycle within the next 2 years.
