WHEREAS, on September 14, 2020, the Village Board of the Village also adopted a resolution (the "Set Sale Resolution"), providing that the general obligation bond issues authorized by the Initial Resolutions be combined, issued and sold as a single issue of bonds designated as "General Obligation Corporate Purpose Bonds" (the "Bonds") for the purpose of paying the cost of the Project and refinancing certain outstanding obligations of the Village, specifically, the General Obligation Promissory Note, dated March 16, 2017 (the "Refunded Obligations") (hereinafter the refinancing of the Refunded Obligations shall be referred to as the "Refunding");

WHEREAS, the Village Board deems it to be necessary, desirable and in the best interest of the Village to refund the Refunded Obligations for the purpose of achieving debt service savings;

WHEREAS, the Village is authorized by the provisions of Section 67.04, Wisconsin Statutes, to borrow money and issue general obligation corporate purpose bonds for such public purposes and to refinance its outstanding obligations;

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Official Notice of Sale and is deemed to be the most advantageous to the Village. Baird has recommended that the Village accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference; and

WHEREAS, the Village Board now deems it necessary, desirable and in the best interest of the Village that the Bonds be issued in the aggregate principal amount of \$_____ for the following purposes and in the following amounts: \$_____ for financing street improvement projects; \$_____ for financing parks and public grounds projects; \$_____ for financing acquisition of equipment of the fire department and facilities for fire protection; \$_____ for providing financial assistance to community development projects under Section 66.1105, Wis. Stats., by paying project costs of the Village's Tax Incremental District No. 2; \$_____ for financing water system projects; \$_____ for financing sewerage projects, consisting of storm sewer improvements; \$_____ for financing buildings for the housing of machinery and equipment; \$_____ for financing construction of police facilities; and \$_____ for refunding obligations of the Village, including interest on them.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village that:

Section 1. Ratification of the Official Notice of Sale and Offering Materials. The Village Board hereby ratifies and approves the details of the Bonds set forth in Exhibit A attached hereto as and for the details of the Bonds. The Official Notice of Sale and any other offering materials prepared and circulated by Baird are hereby ratified and approved in all respects. All actions taken by officers of the Village and Baird in connection with the preparation and distribution of the Official Notice of Sale, and any other offering materials are hereby ratified and approved in all respects.

Section 1A. Award of the Bonds. For the purpose of paying the cost of the Project and the Refunding, there shall be borrowed pursuant to Section 67.04, Wisconsin Statutes, the principal sum of ELEVEN MILLION EIGHT HUNDRED THIRTY THOUSAND DOLLARS (\$11,830,000) from the Purchaser in accordance with the terms and conditions of the Proposal. The Proposal of the Purchaser offering to purchase the Bonds for the sum set forth on the Proposal, plus accrued interest to the date of delivery, resulting in a true interest cost as set forth on the Proposal, is hereby accepted. The President and Village Clerk or other appropriate officers of the Village are authorized and directed to execute an acceptance of the Proposal on behalf of the Village. The good faith deposit of the Purchaser shall be applied in accordance

with the Official Notice of Sale, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The Bonds shall bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Bonds. The Bonds shall be designated "General Obligation Corporate Purpose Bonds"; shall be issued in the aggregate principal amount of \$11,830,000; shall be dated November 9, 2020; shall be in the denomination of \$5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on April 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2021. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 2A. Designation of Maturities. For purposes of State law, the Bonds of the earliest maturities are designated as being issued to refund the Refunded Obligations and the balance of the Bonds is designated as being issued to pay the cost of the Project.

Section 3. Redemption Provisions. The Bonds maturing on April 1, 2029 and thereafter are subject to redemption prior to maturity, at the option of the Village, on April 1, 2028 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the Village, and within each maturity by lot, at the principal amount thereof, plus accrued interest to the date of redemption.

If the Proposal specifies that any of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption shall be set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the Village shall direct.

Section 4. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Bonds as the same becomes due, the full faith, credit and resources of the Village are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the Village a direct annual irrepealable tax in the years 2020 through 2039 for the payments due in the years 2021 through 2040 in the amounts set forth on the Schedule.

(B) Tax Collection. So long as any part of the principal of or interest on the Bonds remains unpaid, the Village shall be and continue without power to repeal such levy or

obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Bonds, said tax shall be, from year to year, carried onto the tax roll of the Village and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the Village for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Bonds when due, the requisite amounts shall be paid from other funds of the Village then available, which sums shall be replaced upon the collection of the taxes herein levied.

Section 6. Segregated Debt Service Fund Account.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the Village, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the Village may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for General Obligation Corporate Purpose Bonds, dated November 9, 2020" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Bonds is fully paid or otherwise extinguished. There shall be deposited into the Debt Service Fund Account (i) all accrued interest received by the Village at the time of delivery of and payment for the Bonds; (ii) any premium not used for the Refunding which may be received by the Village above the par value of the Bonds and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Bonds when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Bonds when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Bonds until all such principal and interest has been paid in full and the Bonds canceled; provided (i) the funds to provide for each payment of principal of and interest on the Bonds prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Bonds may be used to reduce the next succeeding tax levy, or may, at the option of the Village, be invested by purchasing the Bonds as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"),

which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Bonds have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the Village, unless the Village Board directs otherwise.

Section 7. Proceeds of the Bonds; Segregated Borrowed Money Fund. The proceeds of the Bonds (the "Bond Proceeds") (other than any premium not used for the Refunding and accrued interest which must be paid at the time of the delivery of the Bonds into the Debt Service Fund Account created above) shall be deposited into a special fund (the "Borrowed Money Fund") separate and distinct from all other funds of the Village and disbursed solely for the purpose or purposes for which borrowed. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purpose or purposes for which the Bonds have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purpose(s) shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the Village, charged with the responsibility for issuing the Bonds, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Bonds to the Purchaser which will permit the conclusion that the Bonds are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The Village represents and covenants that the projects financed by the Bonds and by the Refunded Obligations and the ownership, management and use of the projects will not cause the Bonds or the Refunded Obligations to be "private activity bonds" within the meaning of Section 141 of the Code. The Village further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The Village further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The Village Clerk or other officer of the Village charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the Village certifying that the Village can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The Village also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the Village will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the Village by the manual or facsimile signatures of the President and Village Clerk, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the Village of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the Village has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The Village hereby authorizes the officers and agents of the Village to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 11. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by the Village Clerk or the Village Treasurer (the "Fiscal Agent").

Section 12. Persons Treated as Owners; Transfer of Bonds. The Village shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the President and Village Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The Village shall cooperate in any such transfer, and the President and Village Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 13. Record Date. The 15th day of the calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the Village at the close of business on the Record Date.

Section 14. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Village agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the Village Clerk or other authorized representative of the Village is authorized and directed to execute and deliver to DTC on behalf of the Village to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the Village Clerk's office.

Section 15. Official Statement. The Village Board hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the Village in connection with the preparation of such Preliminary Official Statement and any addenda to it or final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate Village official shall certify the Preliminary Official Statement and any addenda or final Official Statement. The Village Clerk shall cause copies of the Preliminary Official Statement and any addenda or final Official Statement to be distributed to the Purchaser.

Section 16. Undertaking to Provide Continuing Disclosure. The Village hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the Village to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the President and Village Clerk, or other officer of the Village charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the Village's Undertaking.

Section 17. Redemption of the Refunded Obligations. The Refunded Obligations are hereby called for prior payment and redemption on November 19, 2020 at a price of par plus accrued interest to the date of redemption.

The Village hereby directs the Village Clerk to take all actions necessary for the redemption of the Refunded Obligations on their redemption date. Any and all actions heretofore taken by the officers and agents of the Village to effectuate such redemption are hereby ratified and approved.

Section 18. Record Book. The Village Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Bonds, the officers of the Village are authorized to take all actions necessary to obtain such municipal bond insurance. The President and Village Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the President and Village Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Village Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted, approved and recorded October 19, 2020.

FOR VALUE RECEIVED, the Village of Fox Crossing, Winnebago County, Wisconsin (the "Village"), hereby acknowledges itself to owe and promises to pay to the Depository or its Nominee Name (the "Depository") identified above (or to registered assigns), on the maturity date identified above, the principal amount identified above, and to pay interest thereon at the rate of interest per annum identified above, all subject to the provisions set forth herein regarding redemption prior to maturity. Interest shall be payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2021 until the aforesaid principal amount is paid in full. Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by the Village Clerk or Village Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding each interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

For the prompt payment of this Bond together with interest hereon as aforesaid and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of the Village are hereby irrevocably pledged.

This Bond is one of an issue of Bonds aggregating the principal amount of \$11,830,000, all of which are of like tenor, except as to denomination, interest rate, maturity date and redemption provision, issued by the Village pursuant to the provisions of Section 67.04, Wisconsin Statutes, for the public purposes of financing street improvement projects (\$_____); parks and public grounds projects (\$_____); acquisition of equipment of the fire department and facilities for fire protection

(\$_____); providing financial assistance to community development projects under Section 66.1105, Wis. Said resolutions are recorded in the official minutes of the Village Board for said dates.

The Bonds maturing on April 1, 2029 and thereafter are subject to redemption prior to maturity, at the option of the Village, on April 1, 2028 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the Village, and within each maturity by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

[The Bonds maturing in the years _____ are subject to mandatory redemption by lot as provided in the resolution awarding the sale of the Bonds referred to above, at the redemption price of par plus accrued interest to the date of redemption and without premium.]

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this Bond have been done, have existed and have been performed in due form and time; that the aggregate indebtedness of the Village, including this Bond and others issued simultaneously herewith, does not exceed any limitation imposed by law or the Constitution of the State of Wisconsin; and that a direct annual irrepealable tax has been levied sufficient to pay this Bond, together with the interest thereon, when and as payable.

This Bond is transferable only upon the books of the Village kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the Village appoints another depository, upon surrender of the Bond to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the Village for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the Record Date, (ii) during the fifteen (15) calendar days preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and Village may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

No delay or omission on the part of the owner hereof to exercise any right hereunder shall impair such right or be considered as a waiver thereof or as a waiver of or acquiescence in any default hereunder.

IN WITNESS WHEREOF, the Village of Fox Crossing, Winnebago County, Wisconsin, by its governing body, has caused this Bond to be executed for it and in its name by the manual or facsimile signatures of its duly qualified President and Village Clerk; and to be sealed with its official or corporate seal, if any, all as of the original date of issue specified above.

WHEREAS, the Village (in consultation with Baird) caused notice of the sale of the Bonds to be published and/or announced and caused the Official Notice of Sale to be distributed to potential bidders offering the Bonds for public sale; and

WHEREAS, the Village has duly received bids for the Bonds as described on the Bid Tabulation attached hereto as Exhibit B and incorporated herein by this reference (the "Bid Tabulation"); and

WHEREAS, it has been determined that the bid proposal (the "Proposal") submitted by the financial institution listed first on the Bid Tabulation fully complies with the bid requirements set forth in the Official Notice of Sale and is deemed to be the most advantageous to the Village. Baird has recommended that the Village accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference.

NOW, THEREFORE, the Village Board of the Village of Fox Crossing, Winnebago County, Wisconsin, do resolve that:

Section 1A. Ratification of the Official Notice of Sale and Offering Materials. The Village Board of the Village hereby ratifies and approves the details of the Bonds set forth in Exhibit B attached hereto as and for the details of the Bonds. The Official Notice of Sale and any other offering materials prepared and circulated by Baird are hereby ratified and approved in all respects. All actions taken by officers of the Village and Baird in connection with the preparation and distribution of the Official Notice of Sale and any other offering materials are hereby ratified and approved in all respects.

Section 1B. Authorization of Bonds. For the purpose of paying the cost of the Project, the Village shall borrow on the credit of the income and revenue of the System the sum of \$6,855,000. Negotiable, fully-registered bonds of the Village, in the denomination of \$5,000, or any whole multiple thereof, shall be issued in evidence thereof. The Bonds shall be designated "Waterworks System and Sewerage System Revenue Bonds", shall be numbered from R-1 upward and shall be dated November 9, 2020. The Bonds shall bear interest at the rates per annum set forth in the Proposal and shall mature on May 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference.

Interest on the Bonds shall be payable on May 1 and November 1 of each year, commencing May 1, 2021. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board.

The schedule of principal and interest payments due on the Bonds is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

The Bonds maturing on May 1, 2029 and thereafter shall be subject to redemption prior to maturity, at the option of the Village, on May 1, 2028 or on any date thereafter. Said Bonds shall be redeemable as a whole or in part, and if in part, from maturities selected by the Village and within each maturity, by lot, at the principal amount thereof, plus accrued interest to the date of redemption. If the Proposal specifies that any of the Bonds are subject to mandatory redemption, the terms of such mandatory redemption are set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference. Upon the optional redemption of any of the Bonds subject to mandatory redemption, the principal amount of such Bonds so redeemed shall be credited against the mandatory redemption payments established in Exhibit MRP for such Bonds in such manner as the Village shall direct.

The Schedule is found to be such that the amount of annual debt service payments is reasonable in accordance with prudent municipal utility practices.

The Bonds, together with interest thereon, shall be payable only out of the Special Redemption Fund hereinafter provided, and shall be a valid claim of the owner thereof only against the Special Redemption Fund and the revenues pledged to such Fund, and sufficient revenues are pledged to the Special Redemption Fund, and shall be used for no other purpose than to pay the principal of and interest on the Outstanding Prior Issues, the Bonds and Parity Bonds as the same fall due.

Section 1C. Security for the Bonds. The Bonds, together with interest thereon, shall not constitute an indebtedness of the Village nor a charge against its general credit or taxing power. The Bonds, together with interest thereon, shall be payable only out of the Special Redemption Fund, and shall be a valid claim of the registered owner or owners thereof only against the Special Redemption Fund and the Revenues of the System pledged to such fund. Sufficient revenues are hereby pledged to said Special Redemption Fund, and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds as the same becomes due.

Section 2. Form of the Bonds. The Bonds shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 3. Definitions. In addition to the words defined elsewhere in this Resolution, the following words shall have the following meanings unless the context or use indicates another or different meaning or intent:

"Annual Debt Service Requirement" means the total amount of principal and interest due on the Outstanding Prior Issues, the Bonds and Parity Bonds in any Bond Year.

"Bond Year" means the one-year period ending on a principal payment date for the Bonds.

"Clean Water Fund Bonds" means the Sewerage System Revenue Bonds, Series 2004 and the Sewerage System Revenue Bonds, Series 2009, which were issued by the Town, and any additional bonds which are payable from revenues of the treatment facility operated by the Grand Chute Menasha West Sewerage Commission.

"Code" means the Internal Revenue Code of 1986, as amended.

"DTC" means The Depository Trust Company, New York, New York, or any successor securities depository for the Village with respect to the Bonds.

"Fiscal Year" means the fiscal year adopted by the Village for the System, which is currently the calendar year.

"Net Revenues" means the Revenues minus all Operation and Maintenance Expenses of the System.

"Operation and Maintenance Expenses" means the reasonable and necessary costs of operating, maintaining, administering and repairing the System, including salaries, wages, costs of materials and supplies, insurance and audits, and specifically including payments made by the Village to the Grand Chute Menasha West Sewerage Commission representing debt service payments on the Clean Water Fund Bonds, but excluding depreciation, tax equivalents and debt service (other than debt service on the Clean Water Fund Bonds).

"Parity Bonds" means additional bonds issued on a parity as to pledge and lien with the Bonds in accordance with the provisions of Section 9 of this Resolution.

"Reserve Requirement" means an amount equal to the least of (i) the amount currently on deposit in the Reserve Account plus an amount equal to 10% of the proceeds of the Bonds, (ii) maximum annual debt service on the Outstanding Prior Issues and the Bonds in any Bond Year, or (iii) 125% of the average annual debt service on the Outstanding Prior Issues and the Bonds. If Parity Bonds which are to be secured by the Reserve Account are issued, "Reserve Requirement" shall mean the amount on deposit in the Reserve Account prior to the issuance of such Parity Bonds, plus the amount permitted to be deposited therein from the proceeds of the Parity Bonds pursuant to Section 148(d)(1) the Code, but shall not exceed the maximum amount of principal and interest due on the Outstanding Prior Issues, Bonds and Parity Bonds in any Bond Year.

"Revenues" means all income and revenue derived from operation of the System, including the revenues received from the Village for services rendered to it, and all moneys received from any other source, including income derived from investments.

Section 4. Income and Revenue Funds. When the Bonds shall have been delivered in whole or in part, the Revenues shall be set aside into the Waterworks System Revenue Fund and Sewerage System Revenue Fund, respectively, and shall be transferred into the following separate and special funds, which funds were created and established by a resolution adopted April 10, 2000 (the "2000 Resolution") and are hereby continued and shall be used and applied as described below:

- Revenues of the Waterworks System in amounts sufficient to provide for the reasonable and proper operation and maintenance of the Waterworks System through the payment of Operation and Maintenance Expenses shall be set aside into the "Waterworks System Operation and Maintenance Fund."

- Revenues of the Sewerage System in amounts sufficient to provide for the reasonable and proper operation and maintenance of the Sewerage System through the payment of Operation and Maintenance Expenses shall be set aside into the "Sewerage System Operation and Maintenance Fund."
- Revenues of the Waterworks System and Sewerage System in amounts sufficient to pay the principal of and interest on the Outstanding Prior Issues, the Bonds and Parity Bonds and to meet debt service reserve requirements shall be set aside into the "Waterworks System and Sewerage System Revenue Bond and Interest Special Redemption Fund" (the "Special Redemption Fund") to be applied to the payment of the principal and interest on the Outstanding Prior Issues, the Bonds and Parity Bonds. The monies standing in the Special Redemption Fund are irrevocably pledged to the payment of principal of and interest on the Outstanding Prior Issues, the Bonds and Parity Bonds.
- Revenues of the Waterworks System in amounts sufficient to provide a proper and adequate depreciation account for the Waterworks System shall be set aside into the "Waterworks System Depreciation Fund."
- Revenues of the Sewerage System in amounts sufficient to provide a proper and adequate depreciation account for the Sewerage System shall be set aside into the "Sewerage System Depreciation Fund."

The Waterworks System Operation and Maintenance Fund and the Sewerage System Operation and Maintenance Fund (the "Operation and Maintenance Funds") and the Waterworks System Depreciation Fund and the Sewerage System Depreciation Fund (the "Depreciation Funds") shall be deposited as received in public depositories to be selected by the Village Board in the manner required by Chapter 34 of the Wisconsin Statutes and may be invested in legal investments subject to the provisions of Section 66.0603(1m), Wis. Stats.

Money in the Operation and Maintenance Funds shall be used to pay Operation and Maintenance Expenses as the same come due; money not immediately required for Operation and Maintenance Expenses shall be used first to remedy any deficiency in the Special Redemption Fund and next to accumulate a reserve in the Operation and Maintenance Funds equal to estimated Operation and Maintenance Expenses for one month. Any money then available and remaining in the respective Operation and Maintenance Funds may be transferred to the Waterworks System Surplus Fund or the Sewerage System Surplus Fund, which funds are hereby continued.

Revenues of the Waterworks System shall be deposited into the Waterworks System Depreciation Fund each month until such amount as may from time to time be established by the Village Board (the "Waterworks System Depreciation Fund Requirement") is accumulated therein. Revenues of the Sewerage System shall be deposited into the Sewerage System Depreciation Fund each month until such amount as may from time to time be established by the Village Board (the "Sewerage System Depreciation Fund Requirement") is accumulated therein. Money in the Depreciation Funds shall be available and shall be used, whenever necessary, to restore any deficiency in the Special Redemption Fund and for the maintenance of the Reserve Account therein. When the Special Redemption Fund is sufficient for its purposes, money in the

Depreciation Funds may be expended for repairs, replacements, new construction, extensions or additions to the System. Any money on deposit in the Waterworks System Depreciation Fund in excess of the Waterworks System Depreciation Fund Requirement or in the Sewerage System Depreciation Fund in excess of the Sewerage System Depreciation Fund Requirement and not required during the current Fiscal Year for the purposes of the Depreciation Funds, may be transferred to the respective Surplus Fund.

It is the express intent and determination of the Village Board that the amount of Revenues to be set aside and paid into the Special Redemption Fund (including the Reserve Account) shall in any event be sufficient to pay principal of and interest on the Outstanding Prior Issues, the Bonds and Parity Bonds and to meet reserve requirements, and the Village Treasurer shall from year to year deposit at least sufficient Revenues in the Special Redemption Fund to pay promptly all principal and interest falling due on the Outstanding Prior Issues, the Bonds and Parity Bonds and to meet reserve requirements.

The Revenues so set aside for payment of the principal of and interest on the Outstanding Prior Issues and the Bonds and to meet reserve requirements shall be set apart and shall be paid into the Special Redemption Fund not later than the 10th day of each month. The amount deposited each month shall be not less than one-sixth of the interest next coming due, plus one-twelfth of the principal next maturing.

The minimum amounts to be so deposited for debt service on the Bonds, in addition to all amounts to be deposited to pay debt service on the Outstanding Prior Issues, are set forth on the Schedule.

The Special Redemption Fund shall be used for no purpose other than the payment of interest upon and principal of the Outstanding Prior Issues, the Bonds and Parity Bonds promptly as the same become due and payable or to pay redemption premiums. All money in the Special Redemption Fund shall be deposited in a special account and invested in legal investments subject to Section 66.0603(1m), Wis. Stats., and the monthly payments required to be made to the Special Redemption Fund shall be made directly to such account.

The Reserve Account established by Section 4 of the 2000 Resolution shall be continued to additionally secure the payment of principal of and interest on the Outstanding Prior Issues and the Bonds. The Village covenants and agrees that upon issuance of the Bonds, an amount equal to the Reserve Requirement shall be on deposit in the Reserve Account and shall be maintained therein. The Village covenants and agrees that if at any time the Reserve Account is drawn upon and the amount in the Reserve Account shall be less than the Reserve Requirement, there will be paid an amount equal to one-twelfth of the Reserve Requirement monthly into the Reserve Account from those funds in the Special Redemption Fund, the Operation and Maintenance Funds, the Depreciation Funds and the Surplus Fund which are in excess of the minimum amounts required by the preceding paragraphs to be paid therein until the Reserve Requirement will again have accumulated in the Reserve Account. No such payments need be made into the Reserve Account at such times as the monies in the Reserve Account are equal to the highest Annual Debt Service Requirement on the Outstanding Prior Issues, Bonds and Parity Bonds. If for any reason there shall be insufficient funds on hand in the Special Redemption Fund to meet principal or interest becoming due on the Outstanding Prior Issues, the Bonds or the Parity

Bonds, then all sums then held in the Reserve Account shall be used to pay the portion of interest or principal on such Outstanding Prior Issues, Bonds or Parity Bonds becoming due as to which there would otherwise be default, and thereupon the payments required by this paragraph shall again be made into the Reserve Account until an amount equal to the Reserve Requirement is on deposit in the Reserve Account.

Funds in the Special Redemption Fund in excess of the minimum amounts required to be paid therein plus reserve requirements may be transferred to the Surplus Funds.

Money in the Surplus Funds shall first be used when necessary to meet requirements of the respective Operation and Maintenance Funds including the one month reserve, the Special Redemption Fund including the Reserve Account, and the respective Depreciation Funds. Any money then remaining in the Surplus Funds at the end of any Fiscal Year may be used only as permitted and in the order specified in Section 66.0811(2), Wis. Stats. Money thereafter remaining in the Surplus Funds may be transferred to any of the funds or accounts created by this section.

Section 5. Service to the Village. The reasonable cost and value of any service rendered to the Village by the System, including reasonable health protection charges, shall be charged against the Village and shall be paid by it in monthly installments as the service accrues, out of the current revenues of the Village collected or in the process of collection, exclusive of the revenues derived from the System, to wit: out of the tax levy of the Village made by it to raise money to meet its necessary current expenses. It is hereby found and determined that the amount of such reasonable cost and value shall be equal to such amount as may be necessary from year to year to pay the balance of an amount which, together with Revenues of the System, will produce Net Revenues equivalent to not less than 1.25 times the Annual Debt Service Requirement. Such compensation for such service rendered to the Village shall, in the manner provided hereinabove, be paid into the separate and special funds described in Section 4 of this Resolution. However, such payment is subject to (a) annual appropriation by the Village Board, (b) approval of the Wisconsin Public Service Commission, if necessary, and (c) applicable levy limits, if any; and neither this Resolution nor such payment shall be construed as constituting an obligation of the Village to make any such appropriation over and above the reasonable cost and value of services rendered to the Village or to make any subsequent payment over and above such reasonable cost and value.

Section 6. Operation of System; Village Covenants. It is covenanted and agreed by the Village with the owner or owners of the Bonds, and each of them, that:

It will faithfully and punctually perform all duties with reference to the System required by the Constitution and Statutes of the State of Wisconsin, including the making and collecting of reasonable and sufficient rates lawfully established for services rendered by the System, and will segregate the Revenues of the System and apply them to the respective funds and accounts described hereinabove;

It will not sell, lease, or in any manner dispose of the System, including any part thereof or any additions, extensions, or improvements that may be made part thereto, except that the Village shall have the right to sell, lease or otherwise dispose of any property of the System found by the

Village to be neither necessary nor useful in the operation of the System, provided the proceeds received from such sale, lease or disposal shall be paid into the Special Redemption Fund or applied to the acquisition or construction of capital facilities for use in the normal operation of the System, and such payment shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund;

It will cause the improvements to the System financed by the Bonds to be made as expeditiously as reasonably possible;

It will pay or cause to be paid all lawful taxes, assessments, governmental charges, and claims for labor, materials or supplies which if unpaid could become a lien upon the System or its Revenues or could impair the security of the Bonds;

It will maintain in reasonably good condition and operate the System, and will establish, charge and collect such lawfully established rates and charges for the service rendered by the System, so that in each Bond Year Net Revenues shall not be less than 125% of the Annual Debt Service Requirement, and so that the Revenues of the System herein agreed to be set aside to provide for the payment of the Outstanding Prior Issues, the Bonds and Parity Bonds and the interest thereon as the same becomes due and payable, and to meet the Reserve Requirement, will be sufficient for those purposes; and

It will prepare a budget not less than sixty days prior to the end of each Fiscal Year and, in the event such budget indicates that the Net Revenues for each Bond Year will not exceed the Annual Debt Service Requirement for each corresponding Bond Year by the proportion stated hereunder, will take any and all steps permitted by law to increase rates so that the aforementioned proportion of Net Revenues to the Annual Debt Service Requirement shall be accomplished as promptly as possible.

Section 7. Books and Accounts; Inspection. The Village will keep proper books and accounts relative to the System separate from all other records of the Village and will cause such books and accounts to be audited annually by a recognized independent firm of certified public accountants including a balance sheet and a profit and loss statement of the System as certified by such accountants. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein shall include the following: (1) a statement in detail of the income and expenditures of the System for the Fiscal Year; (2) a balance sheet as of the end of such Fiscal Year; (3) the accountants' comment regarding the manner in which the Village has carried out the requirements of this Resolution and the accountants' recommendations for any changes or improvements in the operation of the System; (4) the number of connections to the System at the end of the Fiscal Year, for each user classification (i.e., residential, commercial, public and industrial); (5) a list of the insurance policies in force at the end of the Fiscal Year setting out as to each policy the amount of the policy, the risks covered, the name of the insurer, and the expiration date of the policy; and (6) the volume of water used in computing the sewer charge. Separate books and accounts may be maintained for the Waterworks System and the Sewerage System.

The owners of any of the Bonds shall have at all reasonable times the right to inspect the System and the records, accounts and data of the Village relating thereto.

Section 8. Insurance. So long as any of the Bonds are outstanding the Village will carry for the benefit of the owners of the Bonds: (a) adequate fire, lightning, vandalism, riot, strike, explosion, civil commotion, malicious damage, tornado and windstorm insurances on all portions of the System which are subject to loss through such casualties; (b) adequate insurance against loss of use and occupancy resulting from such casualties; (c) adequate public liability insurance and (d) insurance of the kinds and in the amounts normally carried by private companies engaged in the operation of similar systems. All money received for loss of use and occupancy shall be considered Revenue of the System payable into the separate funds and accounts named in Section 4 of this Resolution. All money received for losses under any of such casualty policies, except those specified in (b) above, shall be used in repairing the damage or in replacing the property destroyed provided that if the Village Board shall find it is inadvisable to repair such damage or replace such property and that the operation of the System has not been impaired thereby, such money, including proceeds from insurance under (b) above, shall be deposited in the Special Redemption Fund, but in that event such payments shall not reduce the amounts otherwise required to be paid into the Special Redemption Fund.

Section 9. Additional Bonds. The Bonds are issued on a parity with the Outstanding Prior Issues. No bonds or obligations payable out of the Revenues of the System may be issued in such manner as to enjoy priority over the Bonds. Additional obligations may be issued if their lien and pledge is junior and subordinate to that of the Bonds. Additional obligations may be issued on a parity with the Bonds as to the pledge of Revenues of the System ("Parity Bonds") only if all of the following conditions are met:

- a. The Net Revenues of the System for the Fiscal Year immediately preceding the issuance of such additional bonds must have been equal to at least 1.25 times the highest annual principal and interest requirements on all bonds outstanding payable from Revenues of the System and on the Bonds then to be issued in any Fiscal Year. Should an increase in permanent rates and charges, including those made to the Village, be properly ordered and made effective during the Fiscal Year immediately prior to the issuance of such additional bonds or during that part of the Fiscal Year of issuance prior to such issuance, then Revenues for purposes of such computation shall include such additional Revenues as an independent certified public accountant, consulting professional engineer or the Wisconsin Public Service Commission may certify would have accrued during the prior Fiscal Year had the new rates been in effect during that entire immediately prior Fiscal Year.
- b. The payments required to be made into the funds enumerated in Section 4 of this Resolution (including the Reserve Account, but not the Surplus Fund) must have been made in full.
- c. The additional bonds must have principal maturing on May 1 of each year and interest falling due on May 1 and November 1 of each year.
- d. If the Parity Bonds are to be secured by the Reserve Account, the amount on deposit in the Reserve Account must be increased to an amount equal to the Reserve Requirement applicable upon the issuance of Parity Bonds as defined in Section 3 of this Resolution.

- e. The proceeds of the additional bonds must be used only for the purpose of providing additions, extensions or improvements to the System, or to refund obligations issued for such purpose.

Section 10. Sale of Bonds. The bid of the Purchaser for the purchase price set forth in the Proposal be and it hereby is accepted, and the President and Village Clerk are authorized and directed to execute an acceptance of the offer of said successful bidder on behalf of the Village. The good faith deposit of the Purchaser shall be retained by the Village Treasurer until the closing of the bond issue, and any good faith deposits submitted by unsuccessful bidders shall be promptly returned. The officers of the Village are authorized and directed to do any and all acts necessary to conclude delivery of the Bonds to the Purchaser, upon receipt of the purchase price, as soon after adoption of this Resolution as is convenient.

Section 11. Application of Bond Proceeds. All accrued interest received from the sale of the Bonds shall be deposited into the Special Redemption Fund. Such amount (if any) as is necessary to make the amount currently on deposit in the Reserve Account equal to the Reserve Requirement shall be deposited in the Reserve Account. The balance of the proceeds, less the expenses incurred in authorizing, issuing and delivering the Bonds, shall be deposited in a special fund designated as "Waterworks System and Sewerage System Improvement Fund." Said special fund shall be adequately secured and used solely for the purpose of meeting costs of extending, adding to and improving the System, as described in the preamble hereof. The balance remaining in said Improvement Fund after paying said costs shall be transferred to the Special Redemption Fund for use in payment of principal of and interest on the Bonds.

Section 12. Amendment to Resolution. After the issuance of any of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except:

- a. The Village may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and
- b. This Resolution may be amended, in any respect, with the written consent of the owners of not less than two-thirds of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the Village; provided, however, that no amendment shall permit any change in the pledge of Revenues derived from the System, or in the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 13. Defeasance. When all Bonds have been discharged, all pledges, covenants and other rights granted to the owners thereof by this Resolution shall cease. The Village may discharge all Bonds due on any date by depositing into a special account on or before that date a sum sufficient to pay the same in full; or if any Bonds should not be paid when due, it may

nevertheless be discharged by depositing into a special account a sum sufficient to pay it in full with interest accrued from the due date to the date of such deposit. The Village, at its option, may also discharge all Bonds called for redemption on any date when they are prepayable according to their terms, by depositing into a special account on or before that date a sum sufficient to pay them in full, with the required redemption premium, if any, provided that notice of redemption has been duly given as required by this Resolution. The Village, at its option, may also discharge all Bonds of said issue at any time by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest of the U.S. Government, or of a commission, board or other instrumentality of the U.S. Government, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of said Bonds to its maturity or, at the Village's option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the Village's option, if said Bond is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, provided that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for.

Section 14. Investments and Arbitrage. Monies accumulated in any of the funds and accounts referred to in Sections 4 and 11 hereof which are not immediately needed for the respective purposes thereof, may be invested in legal investments subject to the provisions of Sec. 66.0603(1m), Wis. Stats., until needed. All income derived from such investments shall be credited to the fund or account from which the investment was made; provided, however, that at any time that the Reserve Requirement is on deposit in the Reserve Account, any income derived from investment of the Reserve Account shall be deposited into the Special Redemption Fund and used to pay principal and interest on the Bonds. A separate banking account is not required for each of the funds and accounts established under this Resolution; however, the monies in each fund or account shall be accounted for separately by the Village and used only for the respective purposes thereof. The proceeds of the Bonds shall be used solely for the purposes for which they are issued but may be temporarily invested until needed in legal investments. No such investment shall be made in such a manner as would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations of the Commissioner of Internal Revenue thereunder (the "Regulations").

An officer of the Village, charged with the responsibility for issuing the Bonds, shall, on the basis of the facts, estimates and circumstances in existence on the date of closing, make such certifications as are necessary to permit the conclusion that the Bonds are not "arbitrage bonds" under Section 148 of the Code or the Regulations.

Section 15. Resolution a Contract. The provisions of this Resolution shall constitute a contract between the Village and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 12, until all of the Bonds have been paid in full as to both principal and interest. The owner or owners of any of the Bonds shall have the right in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the Village, the governing body thereof, and any and all officers and agents thereof including, but without limitation, the right to require the

Village, its governing body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 16. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Bonds eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Village agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations, which the Village Clerk or other authorized representative of the Village is authorized and directed to execute and deliver to DTC on behalf of the Village to the extent an effective Blanket Issuer Letter of Representations is not presently on file in the Village Clerk's office.

Section 17. Payment of the Bonds; Fiscal Agent. The principal of and interest on the Bonds shall be paid by Village Clerk or Village Treasurer (the "Fiscal Agent").

Section 18. Persons Treated as Owners; Transfer of Bonds. The Village shall cause books for the registration and for the transfer of the Bonds to be kept by the Fiscal Agent. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Bond shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Any Bond may be transferred by the registered owner thereof by surrender of the Bond at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the President and Village Clerk shall execute and deliver in the name of the transferee or transferees a new Bond or Bonds of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Bond surrendered for transfer.

The Village shall cooperate in any such transfer, and the President and Village Clerk are authorized to execute any new Bond or Bonds necessary to effect any such transfer.

Section 19. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Bonds (the "Record Date"). Payment of interest on the Bonds on any interest payment date shall be made to the registered owners of the Bonds as they appear on the registration book of the Village at the close of business on the Record Date.

Section 20. Compliance with Federal Tax Laws. (a) The Village represents and covenants that the projects financed by the Bonds and the ownership, management and use of the projects will not cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code. The Village further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Bonds including, if applicable, the rebate requirements of Section 148(f) of the Code. The Village further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of

the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The Village Clerk or other officer of the Village charged with the responsibility of issuing the Bonds shall provide an appropriate certificate of the Village certifying that the Village can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The Village also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Bonds provided that in meeting such requirements the Village will do so only to the extent consistent with the proceedings authorizing the Bonds and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

The foregoing covenants shall remain in full force and effect, notwithstanding the defeasance of the Bonds, until the date on which all of the Bonds have been paid in full.

Section 21. Official Statement. The Village Board hereby approves the Preliminary Official Statement with respect to the Bonds and deems the Preliminary Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the Village in connection with the preparation of such Preliminary Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the closing of the Bonds, the appropriate Village official shall certify the Preliminary Official Statement or Final Official Statement. The Village Clerk shall cause copies of the Preliminary Official Statement or Final Official Statement to be distributed to the Purchaser.

Section 22. Undertaking to Provide Continuing Disclosure. The Village hereby covenants and agrees, for the benefit of the owners of the Bonds, to enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Bonds or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the Village to comply with the provisions of the Undertaking shall not be an event of default with respect to the Bonds).

To the extent required under the Rule, the Village Clerk, or other officer of the Village charged with the responsibility for issuing the Bonds, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the Village's Undertaking.

Section 23. Record Book. The Village Clerk shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Bonds in the Record Book.

Section 24. Bond Insurance. The officers of the Village are authorized to take all actions necessary to obtain municipal bond insurance with respect to the Bonds. The President and Village Clerk are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the President and Village Clerk including provisions regarding restrictions on investment of Bond proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Bonds by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to the municipal bond insurance policy shall be made in the form of Bond provided herein.

Section 25. Execution of the Bonds; Closing; Professional Services. The Bonds shall be issued in printed form, executed on behalf of the Village by the manual or facsimile signatures of the President and Village Clerk, authenticated, if required, by the Fiscal Agent, sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the Village of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Bonds may be imprinted on the Bonds in lieu of the manual signature of the officer but, unless the Village has contracted with a fiscal agent to authenticate the Bonds, at least one of the signatures appearing on each Bond shall be a manual signature. In the event that either of the officers whose signatures appear on the Bonds shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Bonds and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The Village hereby authorizes the officers and agents of the Village to enter into, on its behalf, agreements and contracts in conjunction with the Bonds, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Bonds is hereby ratified and approved in all respects.

Section 26. Conflicting Ordinances or Resolutions. All prior ordinances, resolutions (other than the 2012 Resolution, the 2014 Resolution, the 2015A Resolution, the 2015B Resolution, the 2017 Resolution, the 2018 Resolution, and the 2019 Resolution), rules, or orders, or parts thereof heretofore enacted, adopted or entered, in conflict with the provisions of this Resolution, are hereby repealed and this Resolution shall be in effect from and after its passage. In case of any conflict between this Resolution, the 2012 Resolution, the 2014 Resolution, the 2015A Resolution, the 2015B Resolution, the 2017 Resolution, the 2018 Resolution or the 2019 Resolution, the 2012 Resolution, the 2014 Resolution, the 2015A Resolution, the 2015B Resolution, the 2017 Resolution, the 2018 Resolution or the 2019 Resolution shall control so long as any bonds of the Outstanding Prior Issue authorized by such resolution are outstanding.

Adopted, approved and recorded October 19, 2020.

Both the principal of and interest on this Bond are payable to the registered owner in lawful money of the United States. Interest payable on any interest payment date shall be paid by wire transfer to the Depository in whose name this Bond is registered on the Bond Register maintained by the Village Clerk or Village Treasurer (the "Fiscal Agent") or any successor thereto at the close of business on the 15th day of the calendar month next preceding the semi-annual interest payment date (the "Record Date"). This Bond is payable as to principal upon presentation and surrender hereof at the office of the Fiscal Agent.

The Bonds maturing on May 1, 2029 and thereafter are subject to redemption prior to maturity, at the option of the Village, on May 1, 2028 or on any date thereafter. Said Bonds are redeemable as a whole or in part, and if in part, from maturities selected by the Village and within each maturity, by lot (as selected by the Depository), at the principal amount thereof, plus accrued interest to the date of redemption.

[The Bonds maturing in the years _____ are also subject to mandatory redemption by lot as provided in the Resolution referenced below at the redemption price of par plus accrued interest to the date of redemption and without premium.]

In the event the Bonds are redeemed prior to maturity, as long as the Bonds are in book-entry-only form, official notice of the redemption will be given by mailing a notice by registered or certified mail, overnight express delivery, facsimile transmission, electronic transmission or in any other manner required by the Depository, to the Depository not less than thirty (30) days nor more than sixty (60) days prior to the redemption date. If less than all of the Bonds of a maturity are to be called for redemption, the Bonds of such maturity to be redeemed will be selected by lot. Such notice will include but not be limited to the following: the designation, date and maturities of the Bonds called for redemption, CUSIP numbers, and the date of redemption. Any notice provided as described herein shall be conclusively presumed to have been duly given, whether or not the registered owner receives the notice. The Bonds shall cease to bear interest on the specified redemption date provided that federal or other immediately available funds sufficient for such redemption are on deposit at the office of the Depository at that time. Upon such deposit of funds for redemption the Bonds shall no longer be deemed to be outstanding.

This Bond is one of an issue aggregating \$6,855,000, issued for the purpose of paying the cost of additions, improvements and extensions to the Waterworks System and Sewerage System of the Village, pursuant to Article XI, Section 3, of the Wisconsin Constitution, Section 66.0621, Wisconsin Statutes, acts supplementary thereto and a Resolution adopted October 19, 2020, and entitled: "A Resolution Authorizing the Issuance and Sale of \$6,855,000 Waterworks System and Sewerage System Revenue Bonds of the Village of Fox Crossing, Winnebago County, Wisconsin, and Providing for the Payment of the Bonds and Other Details with Respect to the Bonds" (the "Resolution") and is payable only from the income and revenues derived from the operation of said Waterworks System and Sewerage System. Such revenues have been set aside and pledged as a special fund for that purpose and identified as "Special Redemption Fund", created by a resolution adopted by the Village on April 10, 2000 and continued by the Resolution. The Bonds are issued on a parity with the Village's Waterworks System and Sewerage System Revenue Refunding Bonds, dated July 2, 2012, Waterworks System and Sewerage System Revenue Refunding Bonds, dated February 3, 2014, Waterworks System and Sewerage System Revenue Refunding Bonds, dated February 9, 2015, Waterworks System and Sewerage System Revenue Bonds, Series 2015B, dated November 16, 2015, Waterworks System and Sewerage System Revenue Bonds, dated April 3, 2017, Waterworks System and Sewerage System Revenue Bonds, dated July 12, 2018 and Waterworks System and Sewerage System Revenue Bonds, dated October 15, 2019. This Bond does not constitute an indebtedness of the Village within the meaning of any constitutional or statutory debt limitation or provision.

This Bond is transferable only upon the books of the Village kept for that purpose at the office of the Fiscal Agent, only in the event that the Depository does not continue to act as depository for the Bonds, and the Village appoints another depository, upon surrender of the Bond to the Fiscal Agent, by the registered owner in person or his duly authorized attorney, upon surrender of this Bond together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Fiscal Agent duly executed by the registered owner or his duly authorized attorney. Thereupon a new fully registered Bond in the same aggregate principal amount shall be issued to the new depository in exchange therefor and upon the payment of a charge sufficient to reimburse the Village for any tax, fee or other governmental charge required to be paid with respect to such registration. The Fiscal Agent shall not be obliged to make any transfer of the Bonds (i) after the Record Date, (ii) during the fifteen (15) calendar days

preceding the date of any publication of notice of any proposed redemption of the Bonds, or (iii) with respect to any particular Bond, after such Bond has been called for redemption. The Fiscal Agent and Village may treat and consider the Depository in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever. The Bonds are issuable solely as negotiable, fully-registered Bonds without coupons in the denomination of \$5,000 or any integral multiple thereof.

It is hereby certified, recited and declared that all conditions, things and acts required by law to exist, happen, and be performed precedent to and in the issuance of this Bond have existed, have happened and have been performed in due time, form and manner as required by law; and that sufficient of the income and revenue to be received by said Village from the operation of its Waterworks System and Sewerage System has been pledged to and will be set aside into a special fund for the payment of the principal of and interest on this Bond.
