GENERAL FUND (GF)

ADMINISTRATION

Statement of Purpose:

The purpose of Administration is to coordinate the functions of all departments consistent with the policies established by the Village Board and laws of the State and Federal governments. This program includes provision of legal counsel to the various Village Boards, Commissions and Committees.

Program Description(s):

Administration is responsible for the daily operations of municipal government through the Village Manager in conjunction with support staff and legal counsel. This includes, but is not limited to: research, coordination and resolution of matters that originate from the Board of Trustees, employees, residents, other jurisdictions, municipalities, attorneys and others. Administration also facilitates communications between citizens and municipal government. This department monitors local, County, State and Federal legislation and administrative codes for potential impact on the municipality. The Village Manager represents the municipality in matters involving legislative and intergovernmental affairs, coordinates preparation of and administers the annual budget, administers personnel policies and collective bargaining agreements, coordinates legal defense against all suits, reviews ordinances, resolutions and recommends amendments to same.

2024 Program Accomplishments:

- 1 In 2024, the Village was able to maintain its' level of service without the need for exceeding the State mandated levy limit placed on the budgets of municipal governments.
- 2 The Village continued to work toward meeting the Wisconsin Department of Natural Resources NR 151 requirements for reaching Total Suspended Solids (TSS) reductions.
- 3 Employee in-house training continues to be a priority, however; staffing levels continue to create challenges in both providing the training and staff availability for the training.

2025 Program Goals & Objectives:

- 1 Implement and administer the 2025 budget by staying within strict levy limit requirements as directed by the latest biennial State budget.
- 2 Evaluate and update, with the Board, the Stormwater Management Plan regarding the implementation of particulate (TSS) reduction and flood control measures.
- 3 Provide semi-annual training for supervisory employees on subjects that enhance managerial abilities.
- 4 Continue to implement the employee compensation plan for all non-represented employees, as well as, the employee performance evaluation system.

ASSESSOR

Statement of Purpose:

The Village of Fox Crossing Assessor's Office is responsible for the valuation, using the assessment process, of all real property located within the Village of Fox Crossing for property tax purposes. The established local assessed value is used by the Village of Fox Crossing, the local school districts, Winnebago County, Fox Valley Technical College, and The State of Wisconsin to calculate and levy property taxes. The assessed value is also used for calculating various shared revenues, aides, financing limits, and financial pro formas for bonding. The assessment process consists of the three basic procedures of discovery, listing and valuation. Often the assessment process is thought of only in terms of valuation, but an assessment cannot even begin until it is known that certain assessed values must rest. In general, property owners are not required by law to report their holdings to the Assessor; the responsibility of discovering assessable real estate property rests entirely with the Assessor. It is the Assessor's responsibility to ensure fair and equitable assessments throughout the Village, preparation and delivery of forms required by the Department of Revenue, preparation of annual assessment roll, and preparation of statistical analysis necessary to support and adjust changing market conditions. The Assessor's Office provides an ad valorem tax base for which the Village levies the budget against (less revenue from other sources). The Assessor's Office also generates additional revenue through exempt computer assessments and the mobile home parking permit fees. Department activities consist of both field and office functions.

Program Description(s):

Field Functions(Discovery & Listing)

Field functions consist of viewing and documenting all of the construction occurring during the year in the residential, commercial, and agricultural classes. This includes analysis of structural and any location value-determining factors, onsite annual review and valuation of all mobile home parking permits and personal property accounts.

Office Functions(Valuation)

Office functions include: sales analysis and dispersion studies to determine market trends; cost studies as evidenced by current construction activities; notification to property owners of assessment changes; determination of property tax exemptions; assistance in Board of Review appearances; maintenance of approximately 7,000 properties and 300 mobile home parking lots; provide a service of information to all Village residents, including real estate broker and appraiser inquiries. Creation of the assessment roll and Uniform Standard of Professional Appraisal Practice Report. The Assessor's office also defends assessed values for the Village during assessment appeals that proceed beyond the Board of Review hearings. Due to Wisconsin Act 12, effective with valuations for January 1, 2024, personal property assessments and taxes have been repealed.

Revenues

- 1 101-5100-440.01-01 Liquor & Malt Bev License: Includes 1 new Reserve Liquor License (have had inquiries but nothing formal from possible restaurants).
- 2 **101-5100-440.01-02 Amusement/Special Event License:** Included two special events (parades) & Firework Display permits.
- 3 **101-5100-440.01-04 Bar Operator Licenses:** Licenses are renewed bi-annually, 2025 is an off-renewal year, and the WI DOR will become responsible for the issuance of bar operater licenses statewide effective January 1, 2025. We have been informed that the State will give people the option to purchase a State level license or local; however, due to the cost of this statewide license, it is unlikely we will lose many Operator's due to this. Will be able to better estimate after 2025.

COMMUNITY DEVELOPMENT

Statement of Purpose

The Community Development Department is dedicated to encouraging and supporting high quality sustainable development while preserving and enhancing the exceptional quality of life that all residents enjoy in the Village of Fox Crossing

Program Description:

- 1 Administer the Village's planning, building inspection, zoning, land division, economic development, TIDs, and sustainability efforts and assist with the storm water utility as needed
- 2 Promote economic development through the use of grants, tax credits, tax increment financing, annexations, business attraction and retention, and flexibility
- 3 Review and recommend action on annexations, subdivisions, zoning, variances, conditional use permits, site plans, storm water and erosion control
- 4 Manage, revise, implement and update the Village's Comprehensive Plan which directs the Village's future development both internally and externally
- 5 Issue permits, conduct inspections and enforce actions on building, plumbing, electrical, HVAC, erosion, zoning, land division, storm water and illicit discharges
- 6 Promote and support sustainable development through the Village's Sustainability Committee
- 7 Work with GIS Coordinator to make available Graphic Information, internet maps and land information to all departments and the public

2024 Program Accomplishments:

- 1 Supported development which resulted in expanded residential, commercial, and industrial development
- 2 Reviewed and approved various CSMs and continued to encourage the final plating of two single family subdivisions
- 3 Also encouraged the development of property located in the northwestern portion of the Village
- 4 Continued administration of the Village's MS4 permit and will work in conjunction with the new Public Works Director to submit MS4 annual report of 2024
- 5 Prepared and obtained per capita funding for the Village for economic development
- 6 Continued sustainability efforts which includes 2 community gardens, electronic recycling, film recycling and energy reduction
- 7 Conducted housing study and began review of Village Zoning Ordinance
- 8 Worked with various developers encouraging new development
- 9 Continued promotion of new online GIS information working with the GIS Coordinator
- 10 Promoted and enforced Village of Fox Crossing FEMA certification for flood insurance
- 11 Department intern successfully initiated the placement of signs identifying the Village on I 41 and U.S. 41

2025 Program Goals and Objectives:

- 1 Promote diversified development and encourage sustainable business development
- 2 Pursue additional appropriate grants and potential creation of TIDs (Tax Incremental Districts) to encourage new development along with encouraging the retention of existing business and industry and continue site visits
- 3 Continue full implementation of FEMA requirements for the Village
- 4 Complete all building inspections within 24 hours of a request, exceeding the state requirement of 48 hours
- 5 Update web information to continue promotion of available commercial and industrial sites in the Village
- 6 Coordinate and continue implementation of the new municipal separate storm sewer systems permit (MS4)
- 7 Continue collection of GIS data collection to ensure compliance with the Villages MS4 Permit
- 8 Continue the reduction in dependence on fossil fuels by exploring renewable energy productions and encouraging bike/pedestrian routes and electric vehicles
- 9 Continue Zoning Ordinance update and continue promoting dark skies lighting program
- 10 Pursue improved aerial photography frequency for use by all departments

FINANCE

Statement of Purpose:

The Finance Department is responsible for internal controls and financial accountability to the public, including safeguarding the taxpayers' monies, through policy, procedures and budgeting.

Program Description:

The Finance Department manages over \$40 million in revenues and expenditures, utilizing many different accounting funds, plus another \$35 million in tax roll collections. Normally, the Finance Department processes over 13,000 general receipts, over 38,000 utility receipts and over 7,000 tax payment receipts. This includes handling an average of 40 walk-in customers per day and an average of 65 phone calls per day. Approximately 3,600 checks are printed in one year, which requires processing approximately 5,000 invoices and 2,200 purchase orders. Additionally, approximately 30,000 regular utility bills and 1,500 final utility bills are processed annually.

The Finance Department is also responsible for the weights & measures program, processing payroll, the annual Village budget, utility billing, special assessments, tax collection, issuing dog and cat licenses, monitoring and ensuring compliance with Federal and State grants, and working with outside consultants in a variety of situations, such as insurance renewals and claims, the annual audit and Village borrowing. This department is also required to submit financial reports to federal, state, and local agencies in regards to financial statements, taxes, payroll, utilities and grants.

2024 Program Accomplishments:

- 1 Completed the Village of Fox Crossing's 2023 Annual Comprehensive Financial Report (ACFR), which is a more in-depth financial report with a statistical section about the Village. Similar to 2022, this was not submitted to the Government Finance Officer's Association for review and evaluation due to the timing of the report
- 2 Worked with staff from Town of Clayton to refine reporting procedures to ensure timely and accurate reporting.
- 3 Compiled and submitted all required annual reports for TID #1, #2, #3, #4, & #5, including the annual report required to be submitted to the Joint Review Board (JRB), and presenting said information to the JRB.
- 4 Continued improvement on paperless work flow process for processing accounts payable invoices and check requests, substantially reducing paper use and waste and introducing a more streamlined, efficient process. This is the first part of several to eventually integrate the paperless process directly to the finance software.
- 5 Continue to transition payroll related liability payments to electronic payment method. This is more efficient, secure, timely, and keeps records more confidential.
- 6 Implemented Sanitary Sewer and Storm Water rate changes, effective 01/15/24
- 7 Updated insurance values for all property, buildings, and equipment for the Village and Utilities during the renewal process.
- 8 Evaluated and processed all financial related duties for the 2024 financing (borrowings), including evaluating debt structures, refinancing possibilities, debt coverage requirements, updating the Official Statement, managing the Moody's rating conference call, etc.
- 9 Continued working with IT and Utility Departments regarding the Beacon Meter Reading software, including relying on the Beacon readings to reduce the number of drive-by reads by Utility staff and to reduce the number of re-reads. With the change over to the new AMI meter readers and continued roll out bringing more meters online, the Finance Department will be able to help more customers in the future with live water utility data.
- 10 With advice from Ehlers Investment Partners, Village funds were invested to maximize investment revenue while maintaining collateral and security over the investments to protect Village assets.
- 11 Continued work with Accurate Appraisal to ensure timely notification of changes in mobile home park records to ensure accuracy and completeness and with a new contract effective in 2024.

2024 Program Accomplishments (cont.):

- 12 Submit Purchased Water Adjustment Clause rate application to WiPSC for review due to increased rates from Menasha Utilities.
- 13 Process and manage a significant number of special charge and assessment invoices for the major utility projects completed.
- 14 Implement changes to organizational structure due to hiring of Department of Public Works Director.
- 15 Issued request for proposals for impact fee study, evaluated proposals and recommended awarding contract to Board.
- 16 Work with consultant on impact fee study.

2025 Program Goals & Objectives:

- 1 Work on specific accounts, fixed assets and tracking changes, as required by the Public Service Commission in the Village's recent rate case.
- 2 Calculate and create tax rates, statement of taxes, accounting reports, etc. for TID #1, TID #2, TID #3, TID #4 and TID #5.
- 3 Have training sessions with Central Square, regarding the capabilities of the system to better utilize the accounting/reporting system, such as placing the industrial surcharge billing on the utility bill.
- 4 Explore using the Cognos reporting software to create financial reports previously done manually.
- 5 With updates to Cognos, correct and fix reports to ensure pulling data correctly.
- 6 Finish implementation of the procurement card program, including purchasing and training on software.
- 7 Start working on policies for fund balance, debt, investments, purchasing, petty cash, etc. Not only is this a very good financial goal, but if the Village would like to work with Standard & Poor instead of Moody's for debt ratings, these policies will need to be in place.
- 8 Research and create a vendor policy, for additional internal controls, which would limit possible vendor fraud.
- 9 Compare and evaluate the sewer industrial surcharge program costs and rates to ensure the Fox Crossing Utilities customer rates cover the sewer utility's costs.
- 10 Create cash flow proformas for all TIDs.
- 11 As required by WiPSC, apply for a full rate case review for the Water Utility.
- 12 To anylsize and work with departments, regarding the Equipment Replacement Fund, for future funding needs, due to significant equipment cost increases.
- 13 Implement new budgeting software and online transparancy system from ClearGov to create a streamlined and more efficient budgeting process that only requires data entry into the new system which will then roll into the accounting software, eliminating double entry.
- 14 Issue 2024 ACFR according to previous timelines, including applying to the GFOA to earn the Certificate of Achievement for Excellence in Financial Reporting.

INFORMATION TECHNOLOGY

Statement of Purpose:

The Information Technology (IT) department is responsible for the coordination of systems development, implementation and operation of the Village's automated information systems and Geographic Information Systems (GIS). Information Technology uses current technology to provide hardware and software support for all of the Village's departmental needs. Information Technology also provides telephone, voicemail, mobile phone and copier services.

Program Description:

Information Technology (IT) provides hardware and software support for more than 125 Village and Utility department computers and 25 network servers. The department also provides management of the wide area network which connects the Municipal Complex to Fire Station 40, Fire Station 41, Community Center and Utility offices with voice and data and Winnebago County with data. Provides management of Geographic Information Systems (GIS) data and provides support for Village's departments land information needs. IT promotes technology within departments to improve work efficiency and maintains the Village's phone systems, voice mail, e-mail, internet, intranet and mobile communication. IT is responsible for the maintenance and modification of the Village's web site.

2024 Program Accomplishments:

- 1 Migration of Villages email and office products to Office 365
- 2 Enhanced our cyber security posture by upgrading to End Point protection with a Managed Detection and Response solution, (MDR)
- 3 Migrated to a new website forms software to increase customer interaction and increase department efficiencies
- 4 Reconstruct the Village's web site to meet today's mobile needs and ADA compliance
- 5 Replaced and migrated the Villages financial server hardware as well as other key infrastructure hardware's.
- 6 Mapped all water service lines and meter points in GIS system for completing EPA mandated service line inventory
- 7 Deployed iPads with GIS access for all water and sanitary utility workers, and implemented new solutions for tracking water hydrant and valve inspections, and sanitary manhole inspections and main line cleaning
- 8 Completed GIS system for tracking PASER street ratings over the past 10 years and for collecting new PASER ratings to submit to DOT

2025 Program Goals & Objectives:

- 1 To leverage the Village's new Office365 platform with its added features to enable departments performance and efficiencies
- 2 Laserfiche work flows for Time Sheets, Time off and training request
- 3 Update the Village's Disaster Recovery infrastructure to increase redundancy using new fiber optic network
- 4 Upgrading Village Financial systems hardware and network infrastructure
- 5 Explore methods for linking Central Square data to GIS to more efficiently update land data, as well as link utility information
- 6 Migrate online web maps to new map viewer and experience builder application, allowing for new functionality and increased performance
- 7 Explore methods for linking Central Square data to GIS to more efficiently update land data, as well as link utility information
- 8 Develop capital improvements project tracking map to display planned street reconstruction projects
- 9 Install and configure ArcGIS Enterprise software to aid in creating customized GIS solutions

JUDICIAL

Statement of Purpose:

The Municipal Court's main purpose is to contribute to the quality of life in our community by fairly and impartially administering justice in the most effective, efficient, and professional manner possible.

Program Description:

The Municipal Court has exclusive jurisdiction over actions involving traffic and ordinance violations under which the penalty is a forfeiture. The Court conducts all initial appearances and trial proceedings and enters judgment accordingly. Also in 2024 Court is held once a month at NHS for juvenile citations issued at school. The Court is responsible for maintaining all court records, setting the bond schedule for all non-traffic offenses and issuing warrants and commitments for defendants who fail to appear or comply with court orders. The Municipal Judge has the authority to perform marriages. The Court Manager also enters suspensions and citations in the State Debt Collection Program (SDC), enters warrants, completes monthly and annual financial reports and statistics for the Village Board. On a monthly basis, the Court Manager enters payments from SDC and submits defendants forfeiture debt. Clerk then generates several reports and submits to the police department in order to ensure the court and police records coincide with each other. Lastly on a daily basis, the Court Manager processes payments from the mail, online and in person.

2024 Program Accomplishments:

- 1 Collected approximately \$61,389.85 in forfeitures through AllPaid Payment Services as of 07-31-2024, which permits forfeitures to be paid with a credit card, by phone or online.
- 2 Participated in State Debt Collection, which collected approximately \$46,368.40 in unpaid forfeitures as of 07-31-2024.
- 3 Continued participation in educational programs that are aimed at increasing awareness of the consequences of unlawful behavior: Traffic Safety School and the 3rd Millennium online drug, alcohol, tobacco, shoplifting and disorderly conduct programs. Also Court uses Teen Court, another new program is used by Fox Crossing Court called "cheers"
- 4 Provide persons who are determined to be indigent the option to make monthly installment payments as a way to satisfy forfeitures instead of costly jail commitments, state debt collection or suspension of drivers license for failure to pay.
- 5 Cooperated with Police Department and the Village Clerk in restructuring ordinance code and bond schedule.
- 6 Both the Municipal Judge & Court Manager are to attend State Court continuing education seminars.
- 7 As of March 2024 the Court has started hearing cases once a month at Neenah High for all citations issued at school.
- 8 Continue using State Debt Collection on Tips, which minimizes any errors. Also work with the police department on a monthly basis to keep records organized.
- 9 Continued reduction in jail lockup fees due to alternative means to obtain payments.
- 10 Started working closely with NHS regrading any juveniles issued citations at school.

2025 Program Goals & Objectives:

- 1 Communicate with the State Legislature regarding items of interest to the Municipal Court, specifically with the OWI procedures and court costs.
- 2 Continue to review and revise the Municipal Bond Schedule to stay consistent with the surrounding communities.
- 3 Continue the quality of service without unduly increasing costs to promote public confidence in the judicial system.
- 4 Continue with virtual pretrials to keep attorney fees from increasing.
- 5 Continue to work on the efficiency of juvenile Court at Neenah High School.

NOTES:

- 1 **101-5100-510.01-10 Salaried:** Increase judge annual wages by \$3,749 to \$12,000; effective with new term May 1, 2025 (prorated)
- 2 101-5100-510.02-10 Professional Services/Contracted: The costs in this account include: Jail Lock Up Fee, Interpreter Fees and Substitute Judge. Delinquent fines are submitted to State Debt Collection (SDC) program first, with a warrant for non-payment only issued if SDC is unsuccessful, which has decreased jail lock up fees. Account #101-5200-451.03-00 for Service/Process Fee offsets the Jail Lock-Up Fee. Major increase requested for interpreter services for more languages that are not as common or frequent in this area.
- 3 **101-5100-521.02-15 Legal Counsel:** Will continue doing pretrials by Go-to-Meeting (remote). The impact of increased juvenile citations related to Neenah High School has not caused an increase to legal counsel expenditures and is not expected too. The increase for 2025 is due to the increased volume of tickets being issued and also the increased number of people pleading not guilty which results in increased use of outside legal service.
- 4 101-5100-510.03-20 Subscription and Dues: \$100 Municipal Judge Association
- 5 101-5100-510.03-30 Mileage/Meals/Lodging: The Judge and Court Clerk will each be attending one seminar in 2025
- 6 101-5100-510.03-35 Training: Continuing Judicial Education Dues \$800 and yearly municipal court clerk seminar \$40

LEGISLATIVE

Statement of Purpose:

The purpose of this program is to provide fair and equal representation for all citizens in the Village of Fox Crossing. Representation includes access to the political system, distribution of services and application of taxing authority.

Program Description(s):

The legislative body is responsible to the public to conduct annual Village meetings, special Village meetings and regular Board meetings. It is also responsible to conduct the Board of Review. Under these responsibilities, the legislative body is charged with assessing the need to create, amend and rescind ordinances, resolutions and/or policies of the Municipality, which includes setting the annual tax levy.

2025 Program Goals & Objectives:

1 To work with Village Manager and staff to create strategic goals.

2 Continue to hold organizational workshops and budget preparation workshops.

8 101-5100-600.02-34 Site Maintenance-EAB - \$0

The annual \$10,000 Emerald Ash Borer funding (to savings) was temporarily halted in 2023. As of 12/31/23, there is \$62,250 of assigned fund balance designated for future EAB projects. The anticipated balance for 12/31/24 is \$52,250. The 2025 budget is to use an additional approximately \$25,000 by Parks and \$10,000 by Streets to remove ash trees using these funds.

PARK & RECREATION

Statement of Purpose:

The Park and Recreation Department is responsible for the development and maintenance of the Village's parks, trails, and natural areas. The department is also responsible for the maintenance and operation of the Community Center. Along with maintaining the grounds and facilities mentioned, the Park and Recreation Department is in charge of the development and promotion of recreation programs and special events. The Park and Recreation Department is committed to enhancing the quality of life of the community.

Program Description:

There are sixteen parks located throughout the Village of Fox Crossing along with five open space areas and over twenty miles of trails. Located within those parks and along the trails are opportunities for passive and active recreation. There are also six pavilions available for rent from the months of May-October. The extensive trail system allows for pedestrian and bicycle travel to many areas throughout the Village. The recreation portion of the department provides programs for youth to adults as well as numerous special events and community friendly activities. The Community Center provides space for recreation sponsored programs as well as being available to rent year-round.

POLICE

Program Description:

The police department performs such duties as patrolling the 12.3 square miles (or 110 miles of roadway) within the Village on a 24 hours per day/seven (7) days per week basis, completing incident and accident reports (approximately 7,139 per year), assisting citizens and motorists with all law enforcement matters, enforcing the laws of the State of Wisconsin and the ordinances of the Village of Fox Crossing, assisting other departments such as Probation and Parole, participating in positive community relations, and providing a safe environment in which to live and work.

2024 Program Goals and Accomplishments:

- 1 Implemented full PowerDMS suite
- 2 Increased amount of supervision by impletmenting a Sergeant program
- 3 Held a another successful National Night Out event with the community
- 4 Community Service Officer (CSO) program was expanded and responsibilities increased
- 5 Neenah High School and School Resource Officer (SRO) first year completed
- 6 Assumed primary agency responsibility for all incidents on the Hwy 10, Hwy 441, and Interstate 41 within the Village of Fox Crossing boundaries from Winnebago County after the Sheriff's Office announced they were transferring this service responsibility to FCPD
- 7 Expanded our squad car fleet to increase the longetivity of the squads

2025 Program Goals & Objectives

- 1 Work with Village Administration to update facility space and needs to growing department
- 2 Monitor data and assess needs for additional SRO's
- 3 Evaluate Equipment Replacement Fund and vehicle fleet needs
- 4 Finalize succession planning for anticipated staffing changes

STREET

Statement of Purpose:

This department, through engineering, streets, street lighting, transportation, and equipment replacement program, is responsible for the maintenance of approximately 110 miles of Village road, street department vehicles and the equipment and administration and implementation of all phases of a Public Works Department, along with maintaining good working conditions to perform such duties.

Program Description(s):

The Street Department performs such duties as snow and ice removal, street sweeping, installation and repair of street signs, road repair, ditching, brush chipping, tree and brush control, roadside weed cutting, shouldering, storm sewer and inlet repairs.

2024 Program Accomplishments:

- 1 Completed street improvement projects (resurfacing, chip sealing, crack sealing)
- 2 Reconstructed Jacobsen Road from CTH CB to Irish Road
- 3 Amended the Driveway Apron Policy to add clarifications and options for replacement
- 4 Continued to improve Village leaf pick up program

2025 Program Goals & Objectives:

- 1 GOAL: Recodification of Chapter 337 Streets and Sidewalks regarding all the new changes and updates OBJECTIVE: Work with the Village staff, Village residents and contractors with the recodification of Chapter 337 Streets and Sidewalks through meetings and notices with changes in policies, fees, permits and new requirements
- 2 GOAL: Continue improving customer service and communications for street related matters with Village residents and Street Department staff OBJECTIVE: Improve written communications via the Village's website and inform departmental staff of project status and street related information by additional meetings and/or email postings
- 3 GOAL: Improvement to Chipping Program OBJECTIVE: Improve efficiency of Chipping Program and by introducing additional fees and modifying Summer and Fall programs.

2 Assumes 6,395 households

EXPENDITURES (cont).

3 201-5300-467.01-00: Garbage/Recycling Collecton Revenue:

4 201-5300-480.09-00: Miscellaneous Revenue:

This account includes one-time funds from Winnebago County for the recycling surplus for years 2022 and 2023. For 2025, this account is budgeted for the miscellaneous fees, such as overflow tag charges, new carts, and \$5,000 County surplus.

⁵ Assumes monthly automated base rate of \$9.54 per household (\$5.30 for garbage, \$3.08 for recycling, \$1.16 for yard waste and leaves), a 2.48% increase effective 01/01/25, excludes any fuel surcharge or fuel credit.

NOTES: (cont.)

- 6 The 2024 year-end estimate was used for garbage tonnage pounds; this represents a budgeted increase of 3.3% (12.94 tons per month). 2024 landfill garbage tonnage rates remained the same at \$53.00/ton; 2024 was a \$4/ton increase, 2023 was a \$4/ton increase, and 2022 had a \$2/ton increase.
- 7 The 2024 year-end estimate was used for yard waste and recycling tonnage pounds, which represents recycling at 105.18 tons (increase of 2.1% or 2.18 tons) @ \$7.5/ton (increase of \$2.50/ton from 2024), and yard waste at 32.77 tons (increase 8.1% or 2.45 tons) @ \$35/ton (same as 2024). Leaves hauled by our contractor are not billed by the landfill, but part of the overall contract price. Yard waste delivered to Winnebago County have a rate of \$35/ton, and yard waste delivered to Outagamie County have a rate of \$36/ton, so the \$36/ton was used for budget purposes.
- 8 201-5300-691.02-10: Garbage-Professional Services
 - \$ 3,200 Quarterly Well Testing Landfill
- 9 201-5300-691.02-26: Garbage Collection:

This account includes the above items detailed in point #6, plus overflow tag purchases (\$320), and extra cart fees (\$456).

10 201-5300-691.02-40: Garbage-Repair/Maintenance/Service/Other

\$50,000 Garbage Cart Purchases

14 201-5300-691.08-55 & 201-5300-692.08-55: Transfer to Equipment Replacement Fund

Based on the same premis as the Village's Equipment Replacement Fund, this is the amount set aside for funds to be available for the future replacement of the Garbage and Recycling Fund equipment (Carts, collection units, excavator grapple attachement, etc). As this is a special revenue fund, the funds are not transferred to a separate fund, but are instead held within the Restricted Fund Balance for this fund.

15 201-5300-692.03-90: Recycling Program - Other Supply & Expense:

\$150 for leaf burning ads, \$1,000 for maintenance on waste oil collection area, and \$200 for transportion license for leaves

16 201-5300-691.06-10 & 201-5300-692.06-20: Debt Service Principal & Interest

Annual Debt Costs for 2022 Leaf Mounted Collection System and Truck

17 **201-5300-692.08-54:** Capital Equipment:

\$50,000 Recycling Cart Purchases

18 201-5300-691.09-10 & 201-5300-692.09-10: Transfer to General Fund:

This account transfers the associated garbage and recycle payroll and equipment costs to the general fund. This would be for the chipping program, the leaf collection program, and the office staff time on garbage/recycle issues.

SUSTAINABILITY

Sustainability Committee

<u>Sustainability</u>

We are all dependent on the environment in which we live. We all need clean air to breathe and a clean and plentiful supply of water to drink and to use. We all have a right to a safe living environment, where we have access to necessary goods and cost-effective services. We have the right to grow as individuals and the responsibility to sustain resources for future generations.

Village of Fox Crossing Sustainability Committee Mission Statement:

To help sustain our community for future generations by using resources in the most responsible way at the right times and for the right reasons.

Sustainability must be balanced and includes three main focus areas :

- 1 Environment protecting the natural resources that we depend on for life (clean air, water, food)
- 2 Economy providing cost effective goods and services
- 3 Society meeting human needs fairly and efficiently

Real Outcomes of Sustainability

- 1 Reduced carbon emissions and overall impact on the environment
- 2 Greater innovation and adaptability in community services and practices
- 3 More efficient utilization of natural resources
- 4 Increased resident awareness, participation and involvement in the community
- 5 Improvements to individual health, safety and well being

Value to Resident and Society

- 1 Greater resident satisfaction
- 2 Improved environmental performance
- 3 Increased quality of life and sense of community
- 4 Improved cost effectiveness and capital utilization

Sustainability Policy Key Guiding Principles

- 1 Encourage active participation and effective input from all residents on issues of planning and sustainability
- 2 Encourage and provide for cooperative and open relationships between individuals, neighborhoods, communities, local and state governments and other organizations/agencies
- 3 Think Globally, Act Locally: to ensure implementation of sustainability goals and objectives, village leadership and staff will be guided by principles of sustainability in their actions and decisions

Sustainability Committee

Sustainability Strategy

- 1 Ensure sustainability factors are included in all planning and decision-making processes
- 2 Consistently measure and report on progress towards sustainability for continuous re-evaluation and improvement
- 3 Focus on effective utilization of energy and raw materials
- 4 Ensure that the capability to meet all regulatory requirements and standards are not compromised

2023 Sustainability Accomplishments

- 1 Administered both community gardens and improved management
- 2 Put out a monthly Community Garden newsletter during gardening season
- 3 The Village sponsors the Fox River Clean-up with the Fox Wolf Watershed Alliance
- 4 Organized and hosted two electronics recycling events
- 5 Produced approximately 7% of the Municipal Complex's energy needs through solar power
- 6 Obtained Carbon Reduction Grant for two 50kw solar systems in Village
- 7 Continued to work on potential community composting and supported the an ordinance that prohibits leaf burning
- 8 Continued collecting plastic film at two locations in the Village and continued to receive free benches
- 9 Continued LED street light conversion project
- 10 Assisted in Village efforts to educate residents about stormwater management

2024 Sustainability Goals and Objectives

- 1 Continue to promote dark skies through street lighting changes and new development regulations
- 2 Pursue grants for the placement of wind turbines and solar for renewable energy along with charging stations
- 3 Continue collecting plastic film for the Trex recycling program
- 4 Continue hosting 2 electronics recycling events a year
- 5 Continue participating in stormwater education and outreach efforts
- 6 Support the Village's urban forestry efforts
- 7 Investigate partnering with high school eco clubs and invite them to participate in Village sustainability events
- 8 Continue to explore a composting program
- 9 Pursue and support electric vehicle charging stations.

Fire Department:

Miles/Hours checked in

Pumper E241 was slated to be replaced in 2023 but because of a 2 year delivery time, the replacement year was pushed to 2024 with a price increase of \$100,000 from expected price during 2022. This has now been pushed to a 2025 delivery date, maybe, with an increase in cost of \$42,500.

U40 to be replaced with a duplicate of our newest F150. Increase in price mainly due to equipment installation and finishing (was done by Street Dept in the past)

Community Development

Car (#107) is working fine, still low miles; extend 1 year and reevaluate next year

Clerk - Election:

No indication we will need to replace any of the voting machines this year, may not need to replace all machines at one time. Extended replacement year.

Info Tech:

Phone System - Phones are being replaced over several years. Starting in 2022, using \$10,000 per year for new phones until all office phones have been upgraded, which is expected to be completed in 2027. Microsoft Office licenses replaced with the online environment of Office365 during 2024, which means the Microsoft Office License replacements will no longer be needed, and thus removed from he ERF schedule. The AS400 system was replaced in 2024 with a 5 year expected life. This was removed from the ERF schedule as it will be replaced as a cloud-based system, funded with operations as an annual maintenance cost.

Parks & Recreation:

Replace P15 1 Ton Dump (park run truck) with stainless steel dump box and plow hook-up (no plow).

Replace P217 6' John Deere Mower (moves P220 to backup mower).

Replace O'Hauser Park Playground equipment; included in capital projects fund due to increased costs for replacement.

Replace Westfield Park Playground equipment (includes new covered picnic table); included in capital projects fund due to increased costs for replacement.

Reclassified #18 Slope Mower from Street Dept to Park Dept as Streets now longer uses it and Parks does; extend years 2 years due to maintenance done in 2024 fixed gyro issue.

Reevaluated length of existing park replacement plan, extending most

Police:

2025 Replacement Vehicles - 949 Police Van (Investigations) \$30,000, 960 Detective Squad \$30,000, 966 Squad \$45,084.

swapped out vehicles used as #974 & #975 - changed replacement year to 2027.

Increase fleet per General Fund Purchase, will add #977 to schedule next year.

#949 van is going to be transferred to the Street Dept and replaced with an SUV that is of better use to the PD; purchased in ERF as funding is saved plus sale to Stormwater at residual value.

Street & Administrative Vehicles:

1.) Shown in the "Percentages Village Costs" column are village costs, any differences in percentages are storm water costs unless otherwise noted. The Replacement Cost is listed as the actual Street Cost Portion. Transferred #18 Slope Mower to the Street Dept.

Request to keep Truck #2 and increase the fleet.

Trucks #20 & #27 have been ordered

Stormwater Utility:

E150 Cargo van is transferred from PD to Stormwater to be used by the new Stormwater Technician; the Stormwater Fund is purchasing it from the ERF for estimated auction value and it will be added to the ERF schedule in 2025 under the Stormwater Fund for future replacement.

NOTES (cont.):

Wastewater Utility:

Moved replacement of F350 up 4 years, 11 yr life vs 15 yr life, to replace in 2025 (may not receive until 2026 depending on lead time)

Moved replacement of F150 up 3 years, 12 yr life vs 15 yr life

Pushed portable generator back another year (originally was scheduled to be replaced in 2023)

In 2024 will be selling this vehicle to the water utility as the new Utility Superintendent is using this vehicle; the water utility incurs the cost for the Superintendent vehicle and recovers a portion through interfund charges

Water Utility:

In 2024 will be selling this vehicle to the sewer utility as the new Sewer Foreman is using this vehicle; the previous Utility Superintendent used this vehicle, thus it is in water utility

See notes on previous pages, annual funding for future replacements (\$0 from GF Fund Balance in 2025)

4 402-xxxx-492.xx-xx Transfer from Designated Fund Balance -

These accounts are used to balance the fund when replacements in the current year are more than the amount transferred in from the GF; this shows a budgeted use of ERF Fund Balance. The breakout between Fire and Streets is simply due to they have the largest individual purchases.

5 402-5200-620.08-53 Vehicles - Fire -

This includes the new pumper ordered in 2022 hoping it will arrive in 2025.

6 402-5300-650.08-53 Vehicles - Fire -

This includes two dump trucks #20 and #27; #27 was originally ordered for replacement in 2024 and is hoped to arrive in 2025.

7 402-5500-710.09-40 Transfer to Capital Projects Fund

O'Hauser North and Westfield parks playground equipment and play area improvements. These projects are primarily financed with debt and the expenditures are in the capital projects fund. \$138,853 has been accumulated in the ERF for the equipment replacement and is transferred to the capital projects fund to reduce the amount of debt issued.

TAX INCREMENTAL FINANCING (TIF)

TAX INCREMENTAL FINANCING - TID #1

Statement of Purpose:

Tax Incremental Financing (TIF) District Funds are used to account for the accumulation of resources from the district 'incremental' property taxes, land sales, and other revenues. The funds are designated to be used for the corresponding program/administrative expenditures of the tax incremental financing district, including debt service repayments, if applicable.

Location:

The area originally known as the Gateway Business Park, along with lands immediately adjacent, which is now the site of the Community First Credit Union corporate headquarters. The district boundaries are generally bounded by US Highway 10, County CB, West American Drive and the western boundary of Gateway Plaza and then extending west along US Highway 10, consisting of approximately 23.65 acres of vacant and partially developed land area. In January 2018, the Tax Incremental District (TID) boundaries were amended to increase the TID size 3.25 acres to a total of 26.90 acres. The amendment changes the northern boundary to cross West American Drive to include the property which now is developed by Cobblestone Hotel.

TAX INCREMENTAL FINANCING - TID #5

Statement of Purpose:

Tax Incremental Financing (TIF) District Funds are used to account for the accumulation of resources from the district 'incremental' property taxes, land sales, and other revenues. The funds are designated to be used for the corresponding program/administrative expenditures of the tax incremental financing district, including debt service repayments, if applicable.

Location:

A 28.64 acre parcel bounded by East Shady Lane on the north side and Clayton Avenue to the east. The current development agreement calls for Fox Crossing Creek Apartments to construct several multi-family apartment complexes. The project plan includes the ability for the Village to be reimbursed for \$1,500,000 of road, stormwater, water, and sanitary sewer improvements near the TID development. This area is a portion of the approximately 72.8 acres annexed into the Village in 2017.

WATER UTILITY

Statement of Purpose:

Fox Crossing Utilities Water Department is responsible for operating the water utility to meet the Department of Natural Resources and the Wisconsin Public Service Commission regulations for public water supply. Compliance with these regulations ensures quality water and service to all customers of the Utility District. The Utility Superintendent, along with staff, the Utility Engineer and Village Manager, plans and directs all maintenance, upgrades and expansions to adequately serve the residential, commercial and industrial growth as it occurs in the Utilities.

Program Description:

The Water Department operates and maintains two separate water distribution systems: east and west side, divided by Little Lake Butte des Morts. The east side system consists of Treatment Plant 2 (1665 University Drive), which includes Wells 5 and 7 and a one-million gallon reservoir. The east side system also has a 300,000 gallon elevated tank at 1464 University Drive (Tower 1) and a metering station at Airport Road and Appleton Road for purchased water from the City of Menasha. Purchased water is delivered from the metering station to Plant 2 through a 16" water main, where it is blended with water from Wells 5 and 7. The west side system consists of Treatment Plant 3 (919 E. Shady Lane) and Treatment Plant 4 (2340 American Drive). Plant 3 has Wells 3 and 4 along with a one-million gallon reservoir. Plant 4 has Wells 6 and 8, a one-million gallon reservoir, and is attached to the Utility office, garage, and meter testing facility. Two 300,000 gallon elevated tanks also service the west side, and are located at 2560 County Road II (Tower 2) and 950 Haase Street (Tower 3). In addition, the Water Department maintains the water distribution systems with approximately 138 miles of transmission and distribution mains.

2024 Program Accomplishments:

- 1 Water main was replaced on the following streets: Kenwood Drive, Tumblebrook Road and Tumblebrook Court.
- 2 Began to replace water main on Valley Road from Olde Midway Rd to STH 47, which will carry over into 2025.
- 3 Replaced water laterals on Plank Road from Melissa Street to Oneida Street.
- 4 Tested the required number and sizes of water meters, according to PSC regulations and working on transitioning our meter reading system from AMR to AMI.
- 5 Exercised water main valves in the distribution system, and replaced ones that leaked or did not work properly. Valves are exercised every year, rotating between east and west systems.
- 6 Tested and lubricated fire hydrants on the West Side distribution system, and made repairs as needed. Hydrants are also on east-west rotation
- 7 Sandblasted, painted and color-coded 125 hydrants.
- 8 Continued education for safety programs and continuing education
- 9 Continued Leak Detection Program to reduce the amount of watermain and service leaks in our systems.
- 10 Continue to work on transitioning the Meter System from AMR to AMI
- 11 Replaced brine pumps
- 12 Tested all well meters and meters required to be tested per the Wisconsin PSC
- 13 Continue Flushing our water system on the East and West sides biannually, Spring and Fall
- 14 Working with the Town of Clayton installing watermain in their Phase 1 & 2 area.
- 15 Tested all main well meters, as required by the DNR on annual basis when they are 6" and larger.
- 16 Passed all DNR annual water sample requirements, including lead, copper and PFA samples.
- 17 Continue to improve our GIS mapping system.
- 18 Replaced garage door operators at Utility Office.
- 19 Replaced exterior door by break room at Utility Office.
- 20 Replaced media and zeolite at Plants #2 & 4.
- 21 Replaced mixer at Winchester Road water tower (Tower 2).
- 22 Replaced valves and piping at Plant 3 reservoir
- 23 Purchase Trimble GPS equipment w/ Sewer Dept.
- 24 Purchased 2024 F150 to replace 2005 Chev Colorado.
- 25 Continued working with Laser Utility Locating to do our Digger's Hotline locates.

2025 Program Goals & Objectives

- 1 Continue replacement of failing ductile iron water mains and services annually, per our budget, coordinating these ahead of street reconstruction
- 2 Continue mapping improvements using GPS units for entry into GIS mapping system, entering fire hydrants, valves, services and mains
- 3 Remove and test, all water meters that are due, depending on size & frequency and replace lead meters with lead free meters as they become due
- 4 Continue transition of Meter System from AMR to AMI; begin implementing cellular endpoints
- 5 Continue water main valve exercising and replacement as needed; alternate every year between east & west systems.
- 6 Test fire hydrants alternate years between east & west systems
- 7 Complete the following relay projects: Valley Road from Olde Midway Rd to Hwy 47, Beck Street from Valley Road to W. Palisades Drive, Margeo Acres East Subdivision
- 8 Extend water main approximately 2,800 feet along Clayton Avenue north of Shady Lane
- 9 Replace University Drive water tower (Tower 1) mixer
- 10 Repaint inside and outside of Haase St water tower (Tower 3)
- 11 Test all (11) well meters. Replace any failing meters
- 12 Continue to study our entire water system to include future growth, future purchases from the City of Menasha Utility and of our deteriorating infrastructure
- 13 Continue to work with Clayton and PSC in regards to supplying Clayton water.
- 14 Continue to work with Laser Utility Locating for water locates.
- 15 Install a backup generator to service Plant 4 and the Utility Office
- 16 Reconstruct Tower 1 and Plant 2 underground reservoir overflows so they meet code.
- 17 Replace booster pumps at Plant 2 and Plant 3.

WASTEWATER UTILITY

Statement of Purpose:

Fox Crossing Utilities Wastewater Department is responsible for the maintenance of 125.0 miles of sanitary sewer mains and services, eight lift stations, and 6.21 miles of sewage lift station force mains. The Wastewater Department is also responsible for maintaining relationships with the two receiving treatment plant managers to ensure compliance with contract ordinances and to work with commercial and industrial customers to reduce excessive loadings to the wastewater treatment plants through the industrial surcharge program.

Program Description:

The Wastewater Department operates and maintains the sanitary sewer collection system, lift stations and force mains. The Director of Public Works, along with the Utility Superintendent, Wastewater Staff, Utility Engineer and Village Manager, plans and directs all maintenance, upgrades and expansions to adequately serve the residential, commercial and industrial growth as it occurs in Fox Crossing Utilities.

2024 Program Accomplishments:

- 1 Ensured compliance with the Sand and Oil Interceptor/Grease Trap Cleaning Records and updated to computer program
- 2 Televised mains, manholes, and laterals for I & I (Inflow and Infiltration)
- 3 Continued education for personnel and safety programs and upgraded our safety equipment with 2024's budget
- 4 Grouted sanitary sewer mains and laterals to eliminate I & I into the sanitary sewer
- 5 Installed 50 chimney seals (Flex-Seal) in manholes
- 6 Established an A rating on our DNR CMAR (Compliance Maintenance Annual Report)
- 7 Purchased new televising equipment that is used to maintain our system and meet DNR & EPA compliance and help lower Inflow & Infiltration
- 8 Lined sewer main on North St in conjunction with City of Neenah street and storm sewer project.
- 9 Working with Town of Clayton, per our agreement, to install and operate their sewer collection system.
- 10 Repaired and replaced sanitary sewer laterals on Plank Road from Melissa Street to Oneida Street.
- 11 Conducted a sewer Inflow & Infiltration Study on our west side collection system. Repaired leaks throughout our system. This will be an annual study until the I&I
- 12 Painted 4 lift station generators.
- 13 Purchased another GIS/Trimble with Water Utility.
- 14 Purchased a pole camera for inspecting manholes and looking for I&I without entering.
- 15 Upgraded SCADA software.

2025 Program Goals & Objectives:

- 1 Continue televising mains for I & I to evaluate needed repairs or replacements of mains
- 2 Continue facility tours and Industrial Surcharge Program
- 3 Continue education and safety programs
- 4 Continue installing 50 to 60 chimney seals per year (Flex Seal) or more based on budget
- 5 Continue map updating on East & West Sides with GPS units for GIS mapping system
- 6 Continue sewer cleaning program
- 7 Continue to inspect 20% to 25% of manholes per year

2025 Program Goals & Objectives (cont.):

- 8 Continue grouting program to eliminate I & I and continue to do an annual study on both east and west sides
- 9 Continue manhole repairs & replacements for utility and street projects
- 10 Continue our safety program and training in order to keep employees better aware of their jobs and safety aspect of it
- 11 Revise Fox Crossing/Town of Clayton Agreement for extending mains on Hwy II and Larsen Rd
- 12 Complete main and lateral replacement on Valley Rd ahead of County road reconstruction project
- 13 Extend sewer main approximately 2,800' feet along Clayton Ave north of Shady Lane
- 14 Submit a WPDES General Permit renewal for Satellite Sewage Collection Systems; the existing permit expires October 31, 2025
- 15 Continue working with Laser Utility Locating to do sewer locates for Fox Crossing Utility.

STORMWATER UTILITY

Statement of Purpose:

The Stormwater Utility is dedicated to achieving compliance with the Village of Fox Crossing's MS4 (Municipal Separate Storm Sewer System) permit and to protecting the health, safety and welfare of the Village of Fox Crossing, its citizens, businesses and industries. The Utility will construct, protect, and maintain the stormwater facilities that have been determined necessary for public purposes and will provide services to the public to facilitate the achievement of common social, economic, and environmental desires.

Program Description:

The Stormwater Utility manages and implements the Village's MS4 Permit which includes:

- 1 Public Education and Outreach
- 2 Public Involvement and Participation
- 3 Illicit Discharge Detection and Elimination
- 4 Construction Site Pollution Control
- 5 Post Construction Stormwater Management
- 6 Pollution Prevention

Additionally, the Utility maintains funding through stormwater fees on the water and sewer bills, to ensure funding to comply with the Village's state permit requirements, and to ensure the ability to solve some of the Village's drainage problems. The Stormwater Utility purchases and constructs required detention ponds to obtain full compliance with the Village's state permit, along with maintaining and improving the municipal stormwater system.

2024 Program Accomplishments:

- 1 Completed an annual illicit discharge review as required under the MS4 permit
- 2 Continued implementation of GPS storm sewer mapping system and upgrading storm sewer locate map
- 3 Continued to reduce particulates in the Village of Fox Crossing's stormwater, with the completion of detention ponds
- 4 Continued implementation of policy for residential stormwater pond maintenance
- 5 Continued implementation of new MS4 permit
- 6 Completed and submitted annual report to DNR for MS4 permit
- 7 Continue implementation of Village-wide stormwater quality management plan
- 8 Completed urbanization of Jacobsen Road to include storm sewer conveyance to Church Pond
- 9 Completed prairie and shallow marsh plantings of Church Pond and Sand Point Pond

2025 Program Goals & Objectives:

- 1 Hire a stormwater technician to assist with construction erosion control and post-construction stormwater programs
- 2 Construct the Strohmeyer Pond (Irish Road South Pond) in preparation for reconstruction of Irish Road
- 3 Maintain wetland planting and associated plantings in newly constructed ponds
- 4 Street and Community Development departments will continue to work together to develop a program to monitor and maintain the stormwater system
- 5 Continue public education and outreach program by using the Village website, educational materials, and regional involvement as tools to accomplish this effort
- 6 Apply for additional grants for stormwater detention ponds
- 7 Maintain construction and post-construction site pollution control through permitting and enforcement
- 8 Continuation of GPS storm sewer mapping and storm sewer locate maps through onsite field verifications
- 9 Improve monitoring and inspection on existing commercial detention ponds
- 10 Continue inventory of private detention ponds creating a layer in GIS to ensure full compliance
