Village of Fox Crossing Board of Trustees
Regular Meeting Minutes
Monday, January 12, 2026 – 6:00 p.m.
Municipal Complex – Arden Tews Assembly Room
2000 Municipal Drive, Neenah WI 54956

1. Call to Order, Pledge of Allegiance, and Roll Call

The meeting of the Village Board of Trustees was called to order by President Youngquist at 6:03 p.m.

The Pledge of Allegiance was recited.

Village Clerk Chantel Jaenke conducted roll call and recorded the following Village Board members as present: President Dale Youngquist and Trustees Michael Van Dyke (via teleconference), Kris Koeppel, Tim Raddatz, Kate McQuillan, Deb Swiertz, and Trustee Barb Hanson.

Also Present: Village Manager Jeffrey Sturgell, Director of Finance Jeremy Searl, Director of Community Development George Dearborn, Fire Chief Todd Sweeney, Police Chief Tim Callan, Police Captain Corey Haag, Director of Parks & Recreation Amanda Geiser, Director of Public Works Joe Hoechst, Engineer Lee Reibold, Attorney Andrew Rossmeissl and Director Tim Plagenz.

Excused: Engineer Zach Laabs.

Public Attendance: Three individuals were present.

2. Awards / Presentations

a) Ceremonial Oath of Office for Village Police Chief Tim Callan – Village President Dale Youngquist

President Youngquist administered the ceremonial oath of office to Police Chief Tim Callan.

b) Arden Tews Assembly Room Audio/Visual Technology Upgrade Summary – IT Director Tim Plagenz

Director Plagenz provided an overview of the new audio and visual upgrades in the Assembly Room. Village Manager Sturgell also demonstrated the system's capabilities from his desk.

3. Minutes to Approve / Minutes and Correspondence to Receive

Minutes to Approve

a) Special Village Board Meeting – December 15, 2025

b) Regular Village Board Meeting – December 15, 2025

Minutes and Correspondence to Receive

None.

Motion: Trustee Swiertz moved, seconded by Trustee McQuillan, to approve the meeting minutes and accept other departmental minutes and correspondence into the record as presented.

Vote: Motion carried unanimously.

4. Public Comments Addressed to the Village Board

Cynthia Eckholm – 1051 Mayer St

Ms. Eckholm addressed the Board regarding disputes with her neighbor related to the sump pump ordinance. She requested that the Village require her neighbor's compliance with the ordinance.

5. Discussion Items

None.

6. Unfinished Business

None.

7. New Business-Resolutions/Ordinances/Policies

a) 260112-1 Resolution Declaring Official Intent to Reimburse Expenditures from Proceeds of Borrowing

Motion: Trustee McQuillan moved, seconded by Trustee Koeppe, to approve the Resolution Declaring Official Intent to Reimburse Expenditures from Proceeds of Borrowing as presented.

Discussion: President Youngquist inquired about the borrowing amount and whether the Village is locked into it. Staff explained that the resolution establishes the maximum borrowing amount, and the budget is prepared conservatively, so it is uncommon to encounter issues. If projects exceed the budget as they progress, adjustments could be made by scaling back certain projects or amending the budget.

Vote: Motion carried unanimously.

b) 260112-2 Establish Polling Places for 2026 Elections

Motion: Trustee Hanson moved, seconded by Trustee Swiertz, to establish the polling places for the 2026 elections as presented.

Vote: Motion carried unanimously.

c) 260112-1:ORD An Ordinance to Adopt the Village of Fox Crossing Municipal Code Approved to Date as the General Ordinances for the Village of Fox Crossing First Reading, Second Reading & Adoption

Clerk Jaenke announced the candidates for the April 7, 2026 Spring Election:

- Trustee #1 – Michael Van Dyke
- Trustee #3 – Tim Raddatz
- Trustee #5 – Deb Swiertz

She also noted that there will be no Spring Primary in Fox Crossing.

b) Police Chief Tim Callan

- **Police Department Personnel Update:**
Chief Callan provided an update on the department's structure and the new individuals who have assumed positions following recent retirements.
- **K9 Program Update:**
Captain Haag provided an update on the K9 Program and highlighted K9 Hans's career successes. With Captain Haag moving to a new position, Hans will be retiring. He addressed Board questions regarding plans and timing for a new K9, noting that the program is expected to restart later this year. Director Searl reported that approximately \$130,000 was raised for Hans and that ERF funds are available for a new K9 and vehicle.

9. Closed Session

None.

10. Adjourn

Motion: Trustee Hanson moved, seconded by Trustee Koeppe to adjourn at 6:39 p.m.

Vote: Motion carried unanimously.

Respectfully submitted,

VILLAGE OF FOX CROSSING
PLANNING COMMISSION MEETING
Municipal Complex – Arden Tews Assembly Room
Wednesday, December 3, 2025
at 5:15 PM
Minutes

CALL TO ORDER

The Planning Commission meeting was called to order by Chairperson Jochman at 5:15 p.m.

PRESENT: Chairperson: Mr. Dennis Jochman
 Commissioners: Mr. Morris Cox
 Mr. Thomas Willecke
 Mr. Michael Prince
 Ms. Tracy Romzek

EXCUSED: Mr. Michael Scheibe
 Mr. Tom Young

 Staff: Community Development Director George Dearborn
 Associate Planner Daniel Dieck
 Village Manager Jeff Sturgell
 Village Board of Trustee Kris Koeppe

 Others: 10 others present

PLEDGE OF ALLEGIANCE

APPROVAL OF MINUTES – November 19, 2025

MOTION: Mr. Cox, seconded by Mr. Prince to approve the meeting minutes of November 19, 2025, as presented.

Motion carried 5-0-0

Chairperson Jochman recused himself of the Public Hearing for the Final Plat – Shady Lane Estates, due to prior involvement.

MOTION: Ms. Romzek, seconded by Mr. Prince to appoint Mr. Willecke as temporary vice chair for the public hearing and related business. Motion carried 3-0-2 (Mr. Jochman, Mr. Willecke abstained)

PUBLIC HEARING

1. **Public Hearing – Final Plat – Shady Lane Estates – north side of Shady Lane, west of Coldspring Road – Parcel 121017404**

MOTION: Mr. Cox, seconded by Ms. Romzek to open the public hearing.
Motion carried 4-0-1 (Mr. Jochman abstained)

Director Dearborn presented the final plat for Shady Lane Estates, a single-family residential subdivision consistent with surrounding R-2 low-density zoning and the Future Land Use Map.

Typical lot sizes approximately 11,500-12,000 square feet; minimum dwelling size per code is 900 square feet (actual homes expected to be larger). Public water and sewer required.

Staff recommended the following conditions for approval:

1. Development Agreement finalized and all applicable fees paid.
2. Storm sewer serving the site to be rerouted along the public right-of-way to the Village-owned regional detention pond for ease of maintenance.
3. All taxes paid prior to recording.
4. A copy of the recorded plat be provided to the Village.

Ms. Jane Van Dinter – 1171 Sandpoint Ridge, Neenah

She questioned whether 69 homes constitute low density and inquired regarding housing types and features, and whether basements are required or not.

Director Dearborn noted this subdivision is consistent with the adjacent subdivision and zoning; basements are not required by code; builder choice subject to market and soil conditions.

Mr. Clinton Peters – 2100 Deer Prairie Drive, Neenah

Inquired regarding the regulations for blasting voicing concerns for the impacts on existing foundations and asked about the timeline for the agreement and construction.

Director Dearborn said the final plat will need to go the Village Board for approval and addressed his concerns regarding blasting. The extent of any blasting is unknown and varies by lot; mechanical rock ripping may also be feasible in some areas.

Ms. Nancy Biese – 1141 Sandpoint Ridge, Neenah

Asked for clarification regarding the developer/owner of the subdivision.

Director Dearborn indicated a for-profit LLC with investors associated with McMahon Engineering were the owners/developers.

Mr. Scott Thomson – 1247 E. Shady Lane, Neenah

Question regarding out lot 2; noted that he liked the 10-foot public dedication for access to the park; asked if the development would affect the Shady Lane road reconstruction timeline.

Director Dearborn noted that out lot 2 is a subsequent action item to convey a small parcel to an adjacent landowner. The subdivision would not impact the Shady Lane reconstruction timeline.

MOTION: Ms. Romzek, seconded by Mr. Prince to close the public hearing. Motion carried 4-0-1 (Mr. Jochman abstained)

OLD BUSINESS

None

NEW BUSINESS

1. **Final Plat – Shady Lane Estates – north side of Shady Lane, west of Coldspring Road – Parcel 121017404**

MOTION: A motion was made by Mr. Cox to postpone indefinitely the use of a PDD on the Plat. The motion was not seconded and therefore did not proceed.

MOTION: A motion was made by Mr. Cox to deny the final plat. The motion was not seconded and therefore did not proceed.

A general discussion ensued regarding potential blasting for basements, utility work and possible impacts to foundations.

Manager Sturgell informed the group that blasting is regulated by the State of Wisconsin and blasters must meet seismic/vibration limits and conduct pre-blast documentation when access is granted. The Village cannot regulate blasting or select blasters; enforcement is by the state.

MOTION: Ms. Romzek, seconded by Mr. Prince to approve the Shady Lane Estates Final Plat with the following conditions:

1. Development Agreement be approved and all fees be paid.
2. Storm sewer rerouted along public right-of-way to the regional pond.
3. All taxes paid prior to recording.

Mr. Willecke amended the motion, seconded by Ms. Romzek to include a fourth (4) condition:

4. A copy of the recorded plat be provided to the Village.

Motion carried 3-0-2 (Mr. Jochman and Mr. Cox abstained)

Mr. Willecke, Temporary Vice Chair, passed the Chair back to Mr. Jochman to conduct the remainder of the meeting.

2. Certified Survey Map (CSM) – Daniel Magolski – 1251 Allison Drive – Parcel 1215816, and part of Parcel 121017404

Director Dearborn said this is a request by an adjacent landowner to purchase a small portion of land and combine it into his property.

MOTION: Mr. Cox, seconded by Mr. Willecke to approve the CSM with the following conditions:

1. All taxes are paid prior to recording.
2. Copy of the recorded CSM provided to the Village.
3. Contingent upon Village Board approval and recording of the related final plat prior to CSM recording.

Motion carried 5-0-0

OTHER BUSINESS

Development Activity Report

Director Dearborn provided an overview of the development activities, noting that 15 single-family permits were issued year-to-date (17 in 2024 YTD); one duplex and 3 commercial permits. Construction valuation exceeds \$60 million (approx. \$33 million in prior year), he also noted a shortage of available subdivision lots within the Village.

COMMUNICATIONS

Sustainability Committee

Director Dearborn reported the Committee did not meet in December.

PUBLIC FORUM

Ms. Jane Van Dinter – 1171 Sandpoint Ridge, Neenah

Question regarding HOA responsibility for out lot 1 and 2 of the Final Plat of Shady Lane Estates: If an out lot remains common, an HOA limited to the subdivision would manage maintenance.

ADJOURN

At 6:21 p.m., **MOTION:** Ms. Romzek, seconded by Mr. Willecke to adjourn.

Motion carried 5-0-0

Respectfully submitted,

Dan Dieck
Associate Planner

Note: These minutes are not considered official until acted upon at an upcoming meeting; therefore, they are subject to revision.

PARK COMMISSION MEETING MINUTES

December 10, 2025

Park Commissioners Present: Jim Beson, Jordyn Kurer, Kathy Sylvester, Jean Wollerman, Matt Werner, Jill Rasmussen (Virtually)

Excused: Suneer Patel

Staff Present: Director Amanda Geiser, Village Manager Jeffrey Sturgell

Others in Attendance: Trustee Kate McQuillan, Rose O'Brien, Alison Galley, Linda Dums, Kris Robers, John Spielbauer, Eric Cleven, Mark Cleven, Bethanie Gengler, John Gregorius, Tom Geracie

* * * * *

The Commission meeting was held at the Municipal Complex, 2000 Municipal Dr., Neenah, and was called to order by Commissioner Beson at 6:00PM. The Pledge of Allegiance was recited and roll call was taken.

APPROVAL OF MINUTES AND DISCUSSION OF EXPENDITURES

The Park Commission dispenses with the reading of, and adopts, the November 12, 2025, regular meeting minutes. Commissioner Sylvester motioned to accept the minutes, seconded by Commissioner Kurer. Motion carried.

PUBLIC FORUM

- John Gregorius – resident of Benjamin Court, spoke in regards to the Schildt Park project. He does not favor the new connection into the park. It will change the nature and safety of the neighborhood. Cars frequently fail to stop at the corner of Benjamin Ct. and Old Buggy Dr. Families who live on Benjamin Court with small kids will be put at risk. Please reconsider the new road.
- Linda Dums – resident of Benjamin Court, spoke in regards to the Schildt Park project. She echoes Mr. Gregorius' concerns. She is a big fan of the park and programs. Her kids have done park programs over the years and this community is home to them. She is passionate about the street and the subdivision, including the safety of the entire subdivision. The increased traffic will be enough to be a hazard and the Village should consider other alternatives. Suggested to find a way to keep maintenance access but park users should use Cold Spring for vehicle access to the park.
- Kris Robers – resident of Benjamin Court, spoke in regards to the Schildt Park project. She lives on the end of the cul-de-sac. She noted she can't say a lot more than what was already said, echoing the safety concerns. She is thankful the berm was removed from the plans. It comes down to the through road and the safety. The park used by a wide variety of age groups. Most traffic will be from outside of the neighborhood. She noted she loves the new paved path and the neighborhood will appreciate it.
- Tom Geracie – resident of Benjamin Court, spoke in regards to the Schildt Park project. He echoes fellow neighbor's concerns. There doesn't need to be a road there. There isn't a lot of traffic on the road and people moved to this street because of the lack of traffic. He is supportive of what is being planned for the park but feels a through road is not the answer. The 4-way stop at Old Buggy Dr. and Benjamin Ct. is already dangerous. Adding a road through makes it that much more dangerous. He asked what will be done to make intersections safe if this goes through.
- Alison Galley – resident of Benjamin Court, spoke in regards to the Schildt Park project. She lives right at the 4-way stop which is already dangerous. Adding a road through makes it that much more dangerous. She does not feel anyone in the neighborhood wants this. Adding a road endangers everyone. She asked what will be done to make intersections safe if this goes through. She suggested a survey be sent out to the entire neighborhood.

DISCUSSION/PRESENTATION

- A. Volunteer of the Year Award – Rose O'Brien:** Director Geiser presented the 2025 Volunteer of the Year Award to Rose O'Brien. Rose was recognized for her long-time involvement in special events offered throughout the year, specifically at Fritsch Park. Due to Rose's ongoing commitment, positive attitude, and overall support of the department, the Commission noted she was very deserving of this award.
- B. Schildt Park:** Chairperson Beson opened the discussion regarding the Schildt Park project.

Commissioner Beson spoke that he doesn't feel the new entrance will generate very much traffic as there is no incentive to use Benjamin Ct. to get somewhere other than the park. If this was a direct connection to Shady Lane it would be more of an issue. He doesn't feel it will be used very often but it could generate more traffic that neighbors are accustomed to. He referenced previous comments that it will become a speedway and does not believe that will happen. He reminded everyone it is not a through street or a road.

Commissioner Wollerman asked if it were to be eliminated, where would the turnaround be. Director Geiser indicated staff would have to explore alternative turnaround options.

Commissioner Beson believes a dead-end in the park would be a magnet for trouble. Having a through driveway would allow police officers to go through easier.

Commissioner Kurer noted that traffic is not necessarily a bad thing. Cars and regular activity in parks have been shown to reduce people hanging out in the park after hours. In her professional experience it has worked having through access and Grand Chute would not design a future park to have no through access. Having only a turnaround is inviting people to sit on a dead-end. She does understand the concerns about increased vehicle traffic.

Commissioner Sylvester believes by removing the through access, the current cul-de-sac would become a parking area and would become more of a problem that residents may realize. She noted her experience with traffic near O'Hauser Park, indicating the main road to the park is still off O'Leary, even though there are additional surrounding streets leading to the park. She believes people will use the cul-de-sac to get close to what is on that side of the park. Unfortunately, the people that fly through and are speeding on streets are the local neighbors.

Commissioner Beson echoed that park visitors will park wherever is closest to their desired activity. It is difficult to project into the future what the traffic flow will be but doesn't foresee the traffic increase on Benjamin Ct. being significant.

Commissioner Wollerman questioned the distance between the parking lot and sledding hill versus parking on the cul-de-sac and sledding hill, nothing she may need to go to the park to look.

Commissioner Kurer noted that putting in a speed table would disincentivize people from using the park entrance as a pathway to Cold Spring Road. She noted that Schildt Park is a community park, and a community park's intention is to serve a wider radius of people, beyond the local neighborhood. Future home buyers may prefer this access.

Commissioner Wollerman discussed the increase of park amenities for people will add an increased need for parking and removing that section of parking lot will not save a significant amount of money. She asked if no access drive is put into the plan, then what is the solution.

Commissioner Werner does not believe people going from point A to point B will not use that parking area to get to and from Cold Spring Rd. He believes the only people using the access area will be park visitors.

Commissioner Beson indicated there has been sufficient discussion and thanked residents for coming. A decision is not going to be made now and the information discussed tonight will be taken into consideration.

Director Geiser reported that while a decision has not been made, there is a desire to finalize the plans so the Village can get the project out to bid. She indicated getting them out to bid early in the year results in more favorable project costs and ensures the project will get done in a timely manner as the entire park will be closed for the majority of 2026. While we are not making a decision tonight, we will be looking to come to some sort of resolution soon. Residents who signed in will be updated on the project status.

WHEREAS, in the 2026 Village of Fox Crossing Budget, the Village provided funds for the Schildt Park Renovation Project (to include playground equipment replacement) and the Schildt Park Stormwater Construction Project; and

WHEREAS, information regarding the Schildt Park Renovation Project has been posted on the Fox Crossing Website page since November 25, 2025; and

WHEREAS, the Parks & Recreation Department held an informational Open House regarding the concept plan for the Schildt Park Renovation project on December 10, 2025, to provide information to the residents regarding the project and receive public comment from the public; and

WHEREAS, the concept plan for the Schildt Park Renovation Project was discussed by the Park Commission at the December 10, 2025 Park Commission meeting; and

WHEREAS, on December 17, 2025, the Parks & Recreation Department distributed an informational e-mail and playground survey regarding the Schildt Park Renovation Project to approximately 7,400 park users on the Parks & Recreation Department's e-mail list (includes both resident and non-resident users) to provide information and solicit public comment on the proposed park improvement and playground equipment replacement; and

WHEREAS, the Park Commission reviewed the proposed concept plan for the Schildt Park Renovation Project at their January 14, 2026 Commission meeting and voted 7-0 to recommend approval of the concept plan (as attached).

NOW, THEREFORE BE IT RESOLVED by the Village of Fox Crossing Board of Trustees to hereby approve the Schildt Park Renovation Concept Plan proposed by the Park Commission, as attached.

BE IT FURTHER RESOLVED, that the Village Board directs Parks & Recreation Director Amanda Geiser to prepare and solicit a bid specification for the project for a potential bid award in Spring 2026.

AWARD PROPOSAL – SCHILDT PARK PLAYGROUND EQUIPMENT REPLACEMENT PROJECT

WHEREAS, the Village received three (3) proposals from Gerber Leisure Products, Inc. (the Wisconsin representatives of Landscape Structures, Inc. brand of equipment) for the Schildt Park Playground Equipment Replacement Project through the cooperative purchasing program known as Sourcewell:

Schildt Park Option #1	\$403,325.00
Schildt Park Option #2	\$396,884.00
Schildt Park Option #3	\$398,068.00

; and

WHEREAS, it is the recommendation Parks & Recreation Director Amanda Geiser to award the proposal to Gerber Leisure Products, Inc. (Option 3) in the amount of \$398,068.00; and

WHEREAS, the Park Commission reviewed this item at their January 14, 2026 Commission meeting and voted to recommend the proposal for the Schildt Park Playground Equipment Replacement project be awarded to Gerber Leisure Products, Inc. (Option 3) in the amount of \$398,068.00; and

WHEREAS, Finance Director Jeremy Searl has contacted the Wisconsin Department of Administration (DOA) and received information and a checklist regarding the requirements of the competitive bidding/proposal process and has determined that Sourcewell meets the requirements set by the DOA; and

WHEREAS, Parks & Recreation Director Amanda Geiser requests flexibility to adjust the final project amount up to a maximum allowable amount of \$415,000 to potentially exchange pieces of equipment or make other on-site modifications.

NOW, THEREFORE BE IT RESOLVED by the Village of Fox Crossing Board of Trustees to hereby award the proposal for the Schildt Park Playground Equipment Replacement project to **Gerber Leisure Products, Inc. (Option 3), P.O Box 42, Mount Horeb, Wisconsin**, for the total amount of **\$398,068.00**.

BE IT FURTHER RESOLVED, that the Village Board authorizes Director Geiser to adjust the final project amount up to a maximum allowable amount of \$415,000 to exchange pieces of equipment or make other on-site modifications.

RE: New Business Item 1 -Prairie Lake Condominium Plat Amendment

The current condominium plat for Prairie Lake Condominium has been amended a number of times since its original adoption. Due to the proposed preliminary plat for the 6-lot subdivision for Butterfly Way the Condominium Plat needs to again be amended to clarify the section of the current condominium that is shown on the attached map. Thus, the proposed preliminary plat for Butterfly Way does not include the section shown on the map below which is now only a part of the condominium plat.

Staff Recommendation

Staff recommends the approval of this condominium amendment. This amendment will allow for the approval of the preliminary plat which is on this same agenda that was postponed from the November 2025 meeting. In addition, the rezoning for the Butterfly Way subdivision can also be acted upon at this same meeting.

RE: New Business Item 3 – Zoning Change PUD to R-2 Decker

This proposed zoning change from PUD to R-2 for the parcel proposed for Butterfly Way is requested by the developer to address the issue of the original proposed use of this property which was part of Prairie Lake Condominium. The residents in attendance at the original preliminary plat meeting in November of last year were opposed to this project as they understood that another plan had been approved already for more condominiums in this same area.

This rezoning is intended to address this issue. The Village's adopted future land use map shows this area as medium density, and the R-2 is an allowed zoning designation. The developer desires to create a 6-lot subdivision with individual lots outside of the condominium development.
