

2026 Crack Seal Program

Precision Sealcoating Inc. will be Crack Filling the following streets the weeks of (9-3-26 thru 9-17-26). Please avoid parking on the streets during this time. The project will consist of routing out the cracks, blowing out the cracks with compressed air, filling the cracks with hot tar and then putting toilet tissue down to prevent tracking. Once your road is complete you will be able to use the road right away.
